2016 Lake Cuyamaca Fishin' in the Pines Kids' Derby

The San Diego Anglers again had a great turnout in support of this year's **2016 Lake Cuyamaca 'Fish'in in the Pines' Kid's Derby**. **Great Job!** We couldn't have asked for better weather and all the help from our friends. Thanks **Bob Pence** for your help, and sorry there was no guitar to win this year, Dang it! We had a new addition to our Fishin' in the Pines Derby SDA Club support group: **Steve Carver** and his Son **Max Carver**, who **helped** out and dug right in everywhere, we very much appreciate you guys for the help with this rewarding event, **Thank you guys** and welcome. Also **Kevin Burkart** was **helping** in all directions, including camera man. **Thanks** Kevin. We were happy to see, and welcomed the help for the, lake, from the **Klingensmiths (Eric, Kim), John (Johnny D) Delaurentis, Dwayne Patenaude, Sue and Norm Campbell "Neighbor" Tyler, Larry Courtney, and Bob** with the hot griddle work. **Thank you guys**. We hope to see you soon at the Meetings. The kids were there with all their normal enthusiasm of catching the big winning trout stringers. The Kids were escorted by their moms, dads, grandmas, and grandpas, all looking forward to fishin', camaraderie, conversation, awards, prizes like the bikes, **Good food**, (thanks to all of you), and an **overall fun time**. **Doug and Dorra Schulte, John, & Holly Jones (Happy Anniversary), Gary Smith, Kim Klingensmith, and Gail Matsushima** were all at the front lines when the crowds of people showed up for the Grub. Shuttling up, and dishing out the hot dogs and hamburgers that **the Guys at the grill** were cookin' up, and our own was pulling off the fish grilled just as fast as **Eric, Larry, and Johnny D** could push the burgers, hot dogs, sausage and fish down the griddle headed toward our food shuttler's **Tyler, Fred Dunham, and Bob** toward the serving tables.

This year we fed somewhere in the neighborhood of I'm guessing: (**100-200** hundred kids give or take) and all their moms, dads, grandmas, and grandpas and all other escorts?

We had a very large task ahead of us with lots of hot dogs, hamburgers, chips, and, plus the over 200 pounds of Yellowfin, Yellowtail, and Dorado to prepare, and not to forget all the Kool-Aid Denise and John Forster handled, and could mix up! The Kool aide bar I think was the hottest spot with all those kids guzzling it down because of the warm temperature. The event sponsors provided all the mouth-watering food which was **GREAT**.

I would personally like to **Thank** Ryan from Sportsman's for providing the fish that the following people **deserve equal recognition and thanks** for their dedication in helping make this Event what it is by doing all the behind the scenes filleting: **Gary Smith, Rudy Garcia, John Forster, Race "Butch" Paddock (Master MC by default) Charles Fouquette, Gail Matsushima, Sam Lindsey, and Mike Tombleson** These guys managed to keep away the Yellow jackets once again during the event. Because of the support of **Uncle Al Stasukevich** and the use of his **Palace**, and Boon setting up the fillet stations, we avoided filleting the day of the event and the Yellow Jacket swarms (**No stings or bites**)!

Thank you very much John Otto, for always being there at this and all the other events you support and all that you do!!!! You knock it out of the park :o)

This wonderful Event depends on kind, giving people like you to make it all happen, **SO ONCE AGAIN THANK YOU ALL VERY MUCH!** If you have never had the chance to share in this rewarding experience, try it next year, I believe you'll be glad you did!!! Driveway Dave <\$((((((((>{

Thank you all Again!

"WOW" What a Day!

By: Fred Dunham, Warriors on the Water Director

Monday, Sept. 26 we took a group of 40 wounded warriors and 2 support personnel out for a day of fishing. We met at Fisherman's Landing around 4:30 AM. By the time we got all checked in, passports, visas, licenses, put our raffle prizes on the boat, and boarded all passengers, it was 5:30 AM. What a beautiful sunrise to start the day.

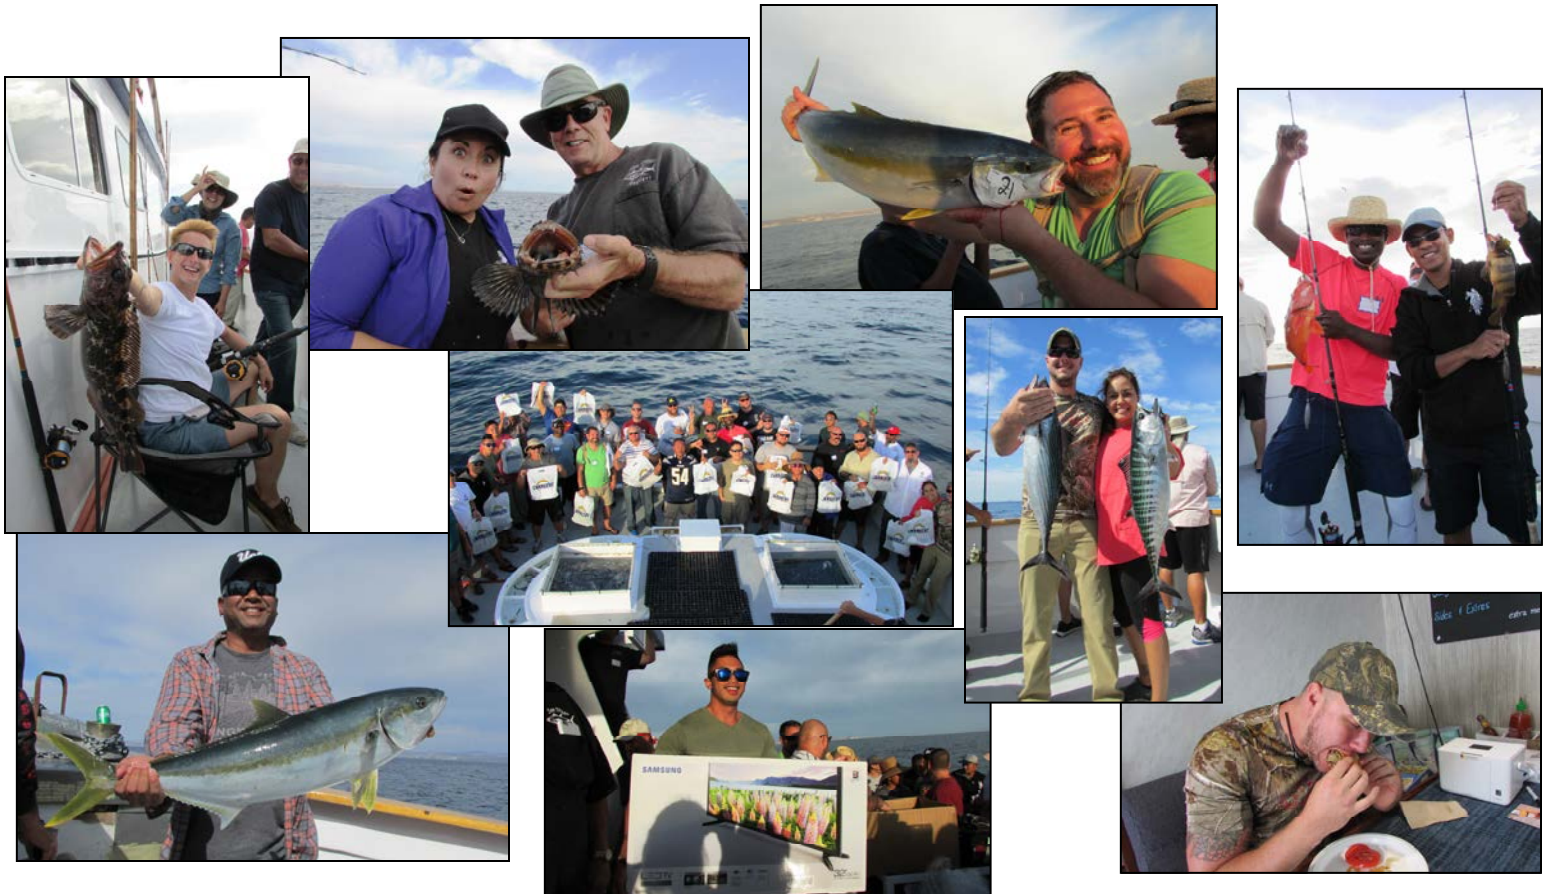

It's important to both thank and recognize our major contributors. If anyone is left out, please forgive. In no special order, a huge thank you to the following: Barnacle Bill's Tackle Shop, Anglers Arsenal, Fisherman's Landing Tackle Store, Friends of Rollo, Jim Bostian of Crystal Pier Cottages, SDA member Rudy Garcia, SDA member Dave McMullen of Ocean Science International, SDA member Bob & Laura Lyman, Frank Lo Preste of Fisherman's Landing, and Crystal Lee of the San Diego Chargers. Just a note, the most popular item in the Chargers donation package was the Charger Girls Calendar ... A HOT item!!!

A little about the boat The Liberty. It's been recently refurbished and is a beautiful fishing platform. 85' in length, a wide stern and room galore up the side rails, 2 showers, 4 heads and bunks. For a 3/4-day boat, UNHEARD of! Captain Taro and the crew were great. Our galley girl, Sara, is a fantastic cook. She was able to serve up to 50 people including passengers, volunteers and crew, with nothing but compliments for her. We caught fish, not as many as we would've liked. It was what you call "a pick" but with all the trip had to offer, all left happy.

A big thanks to our SDA volunteers: Debbie and Dwayne Patenaude, Alan Branch, Steve Carver, Nick Nevandro, Steve Stachelski and Rudy Garcia. Thanks guys. You were great! Our #1 volunteer, John De Laurentis, failed to bring his passport and had to bail but is a star volunteer.

Now about the key people that made it all possible ... Ms. Hayden Ramirez with the Armed Services YMCA and Mr. Benjamin Bramer, Peer Support Specialist and Psychology Services at Aspire Center. Without them there is no "WOW."

A lot of work goes into our "WOW" charters. But it's worth it when you see the faces of these young men and women who have given so much for our freedom. Many have injuries that will trouble them for the rest of their lives. Thanks to all who helped and contributed. Impossible to do this without all of you!

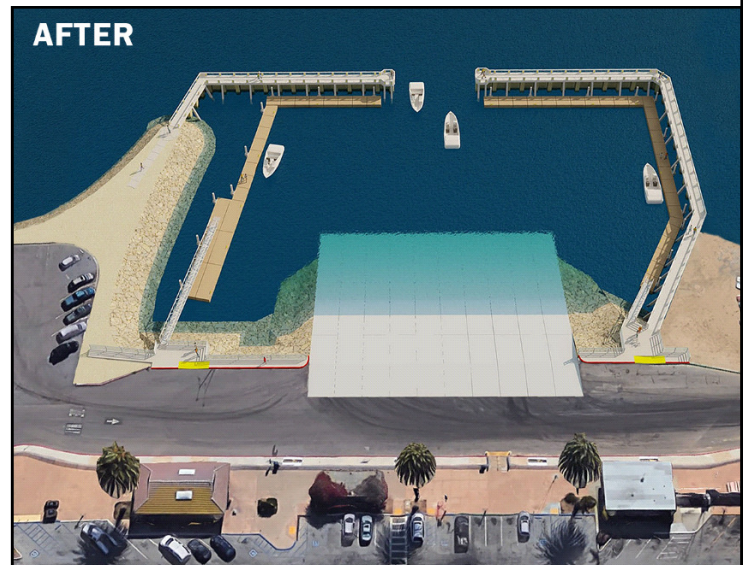

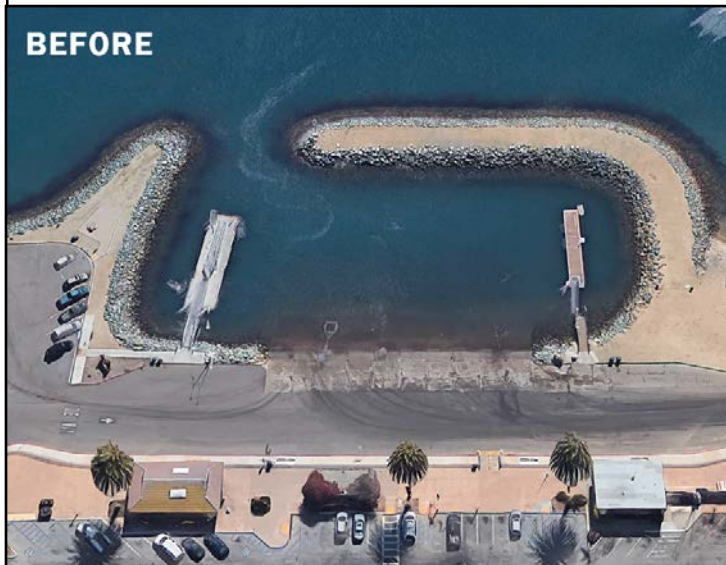

SHELTER LAUNCH RAMP SET TO CLOSE JANUARY 2017

The Port of San Diego is preparing for an important project to improve the Shelter Island Boat Launch Ramp. The facility is believed to be the busiest boat launch ramp in California, with an estimated 50,000 launches annually. Constructed in the mid-1950s with a single-lane concrete launch ramp, its last major improvement was completed in the mid-1970s, when the existing 10-lane boat launching ramp was constructed. The approximately \$9.5 million improvement project was designed with extensive public outreach and has received funding from the California Department of Boating and Waterways and the Wildlife Conservation Board.

Construction is slated to start in January, 2017 with an estimated completion date of October, 2017. There will be one lane open during the construction period, but we are told it will only be open from Memorial Day Weekend through Labor Day Weekend 2017. Yes, this will be an inconvenience for us, but the improvements will be worth the hassle. Other boat launch ramps in San Diego Bay are Pepper Park (National City), J Street Marina (Chula Vista), Glorietta Bay (Coronado). Mission Bay also has launch ramp facilities at Dana Landing (next to Dana Landing Tackle) and South Shores (next to Sea World).

Big Brothers and Sisters Day on the Bay

Saturday, **October 16th**, is our 19th Annual Day on the Bay with Big Brothers and Sisters of America, sponsored by Seaforth Boat Rentals and the Ocean Science International. Taking these kids and their sponsors fishing for the day is a rewarding experience for everyone involved. You too can be involved. All we ask for is your time and boat.

We need 20+ skippers/guides and 10 people for the ground crew. Whatever you choose to do, your time is appreciated as is evidenced by the all the big smiles at lunch.

If you would like to help:

Call AL at 619-285-1611/701-6745 or sign up at our October meeting.

San Diego Anglers
Fishing & Tackle Swap Meet
Wednesday, Nov. 2, 2016

Portuguese Hall
2818 Avenida de Portugal, San Diego, CA 92106
Doors open at 5:30pm

It's time once again to clean out that closet or garage, dig through all of your fishing & boating gear, raffle prizes, or any other fishing related items you no longer need or want, & haul them to our November swap meet meeting to sell or trade. This is a great time to make a bit of cash to put toward those upcoming tournaments and fishing trips, or maybe buy a nice surprise for that special someone.

We will once again have the swap meet at Portuguese Hall to make room for all the sellers and buyers.

This is a big event, so come on down and browse the tables for that special lure nobody sells anymore, or a gently used reel to replace the one you wore out pulling on big fish.

The swap meet is free for buyers and open to the general public, so bring a friend or two.

**Seller's Tables: One Free Table if you are San Diego Angler club member,
and \$20 per table for the general public.**

Contact Louis Almeida, Jr. to reserve a table.
