**Are Proud to Present**

**Colin Jones, with Pacific States Marine Fisheries  
Commission (PSMFC)  
Wednesday, July 5th, 2017**

***Bahia Resort Hotel*  
998 West Mission Bay Drive  
San Diego, CA**

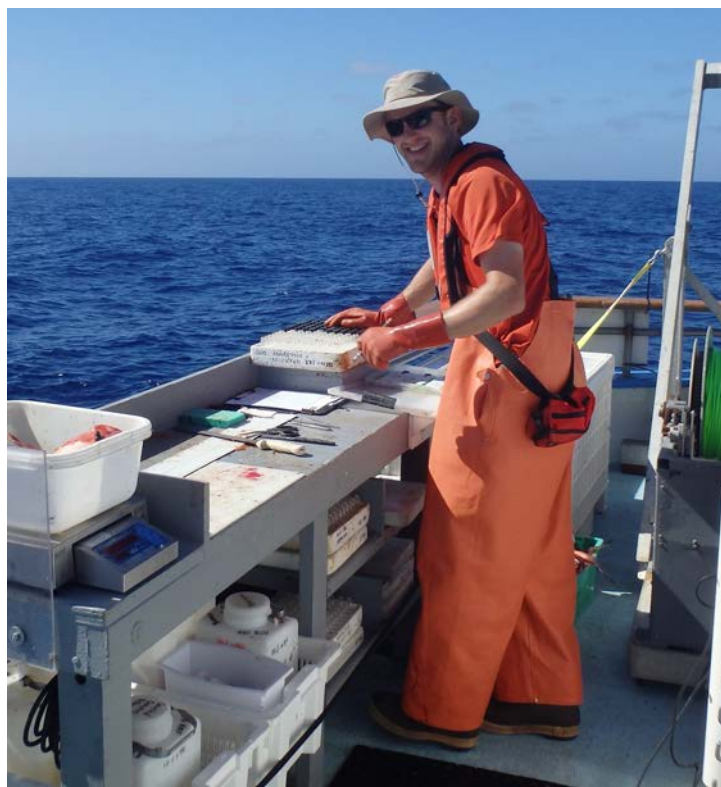

***Ballroom***

***Doors open at 6:00pm  
Meeting starts at 7:00pm***

Colin Jones, a fisheries biologist with Pacific States Marine Fisheries Commission (PSMFC), will present information on the status of groundfish in the Southern California Bight. Colin has multiple years of experience working directly with the fishing industry to help improve data collection for groundfish stocks.

Over the last 14 years, an annual hook and line research survey has taken place in southern California with NOAA, PSMFC, and the local sportfishing industry. Learn how local Commercial Passenger Fishing Vessels (CPFVs) play an integral role in survey operations, and how the data collected improves stock assessments for groundfish.

Colin will also discuss how the hook and line survey is utilizing a towed-camera sled to collect habitat information, as well as recent survey sampling within the Cowcod Conservation Areas (CCAs).

## June Twilight Fishing Charter

Well, the weather persons got it wrong. Despite the weather forecast calling for overcast skies and low clouds, we boarded the "F/V New Seaforth" with clear and sunny skies and a light afternoon breeze for the June twilight trip. Our charter master Debbie had us loaded and on our way. After a quick stop at the bait receivers, the skipper pointed us towards the La Jolla Kelp beds in search of Calicos and hopes of a Yellowtail or two. As we cleared the jetty and made the turn the ride got a little bumpy, but we were heading fishing so who cares. There is no better place to enjoy a good cheeseburger. Savannah had the grill going and the aroma of grilled onions was overwhelming.

We setup on the kelp with the sun to our backs; "let the fishing begin". With anchovies as the prime choice for bait, we let'em fly. For those anglers that tied on the Hookup Baits and Fishtraps, it was on. The back of the boat was wide open on the Calicos, it looked like every cast of a Hookup or Fishtrap produced a fish. The bait bite was okay on the anchovies. Plastics were the answer this day. We had

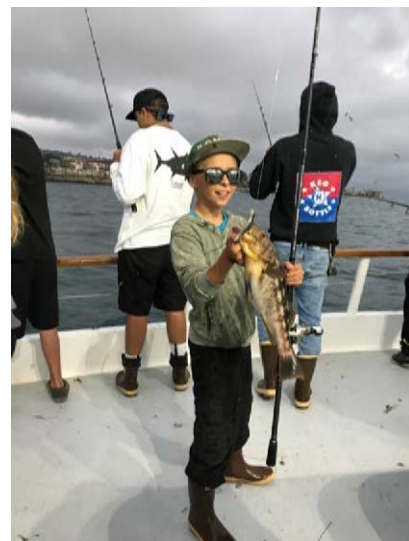

several nicer bass, with a fat 7.5lb Calico taking big fish honors for angler Kyle Hernandez. The Junior Anglers answered the call with several nice keeper bass as well. 1<sup>st</sup> place junior angler Gavin Terpinig received \$30.00, 2<sup>nd</sup> place went to Steven Redondo with a \$20.00 score and 3<sup>rd</sup> place junior angler Riley Childs took home a \$10.00.

We had a good mix of Calicos, with 45 keepers, one rock cod, a few small Barracuda for fun and a few mackerel to mess up the rail. Throw in a Cormorant and it was a good trip.

Kevin Burkhart had the special catch of trip, a big wad of kelp, a lightly used Salas jig and whole bunch of useless line.

For those club members that have never enjoyed our twilight trips, it is time to sign up and get onboard to the next one. Nice vessel, good crew, good food, and your fellow club members.

Our thanks go out to Seaforth Landing and the "F/V New Seaforth" with her Capt. Cody, crew Josh and Steven, and our chef Savannah

## Jackpot Winners

for making another trip a success.

# San Diego Anglers ¾-day Charter on June 25, 2017

*By: Dwayne Patenaude*

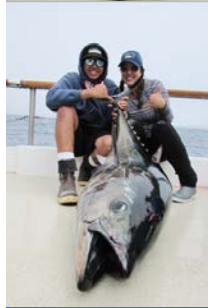

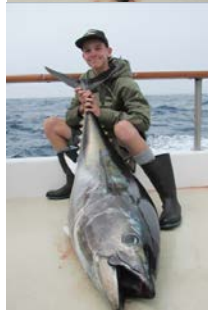

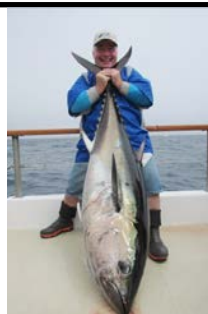

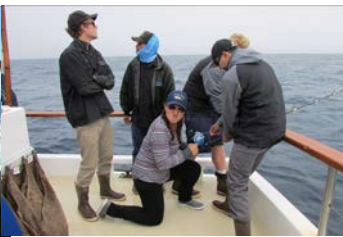

Our trip started like any other, Dwayne checking us in and making sure all was set for another great fishing trip. We headed for the islands, chasing Yellowtail, Bonito, and bass. Ryan, the captain, of the San Diego went in search of good water to look for Yellowtail northwest of the Islands. Ryan said the water had cooled by 3 degrees, to 60, and was not good for Yellowtail, so he turned back towards the Islands.

With no bites in the middle grounds, we continued the search. South kelp proved to be no better, with bad water and temps. Ryan made the call to head offshore for some rock cod. We set up on the reef and on our first drop was to 300-plus feet, which needed 16oz of weight to get down. This stop produced some very nice Reds, Bocaccio and other bottom dwellers. We made 3 passes on this reef and fill our sacks.

With reports of some larger grade Bluefin tuna offshore, Ryan headed out to see if we could get into a tug of war or two. The crew set up the kite and dropped back a blue and silver Yummy-Flyer, while metering several schools of good sized tuna. It happened. We were hooked on the Yummy-flyer and it was game on. First angler on the rod was Renee Lester, with her son Kyle backing her up. This was a tag team event with other anglers assisting; Gloria Pollard and Wyatt Cargel worked hard to get this fish close to the boat, and Bob Rollins brought it to the rail. Ryan and his crew successfully boated our first 100lb-plus Bluefin.

With one fish in the hold and a few more hours before we had to head for home, the crew had us set up and flying the Yummy again. Earl Asbury's number was pulled out of the hat, so he was first up on the next hookup. Flying a kite with a Yummy isn't as easy as one would think, Ryan's crew worked hard to get it setup up right. With a few resets we were fishing again. We hooked up again as a tuna crashed the flyer, Earl was up, this fish seemed more determined to use all the rail. Earl's brother, Ed, and Mike Taylor tag teamed this tuna and about 45 minutes later it was on the deck, game over. Nice ending to a day of fishing with fellow anglers.

Our thanks to Seaforth Sportfishing, Ryan and his crew Shawn, Mike, Nick and Amato for another great trip on the "San Diego."

## July Charters

We have 4 charters this month: one twilight and three, ¾-day trips (one on the "Liberty" and two on the "Vendetta." **If you are signed up for any of the charters, please bring your payment to the meeting.**

The twilight trip will be the same as the previous ones: Meet at Seaforth Landing at 5:15 pm on **Friday, July 7th**. Bring one rod with about 15 lb test and all your favorite lures. We hope the bass will bite as good on this one as they did the last!!! Cost is \$10 for adult members and kids fish for free.

Next up is a midweek charter on the **"Vendetta" out of H&M Landing, Thursday, July 13**. Trip is full right now, but I can put a couple of names on the standby list. Cost is \$140 plus FMM (\$30 the morning of the trip). Passport or Passport Card is required. Please be at H&M Landing at 4:30 am. Please bring no more than 3 rods as there are only 36 rod holders on the boat for us to use. Mexican fishing license is also needed on this trip as we are scheduled to go to the Islands.

The following **Thursday, July 20th**, we have our first charter on the **"Liberty" out of Fisherman's Landing**. Please be at the Landing at 4:45 am. Cost is \$140 plus FMM that morning. This is a much larger boat than we have chartered before, with a full service galley, lots of room to eat, 2 showers and 40 bunks to sleep in on the way out and in! Passport or passport card is required on this trip as it is also scheduled to fish the Islands.

The last charter will be another ¾ day trip on the **"Vendetta" on Sunday, July 30**. Everything is the same as the above "Vendetta" charter except the date.

If you have any questions about the charters, give me a call at 619-972-1503 (Dwayne) or send me an email at [dwaynesda@juno.com](mailto:dwaynesda@juno.com).

**Note:** Dwayne will be returning from a fishing trip to Mexico the afternoon of the meeting on July the 5th, He will be at the meeting, maybe a little late if the airplane does not land on time. He will give the clip boards to another board member to be at the meeting, but hopes to be there just as the meeting starts to do the charter stuff.

## "Vendetta" Charter

*By Dwayne Patenaude*

The 12 of us met at the usual time of 4:30 am in front of H&M Landing. No clouds, no wind....perfect!! We collected the passports, bought our FMM's when the office opened, and we were on our way to the bait barge where Ray had a secret stash of cured sardines for us, with a great mix of anchovies for chum. It has been a long time since I have seen great anchovies like that. It almost felt like we should be going after albacore (Maybe this year!!!). Ray let us know on the way out that the yellows would probably bite best in the afternoon when the current would swing around to the west, and he was right.

We picked around the Islands catching scattered bonito, barracuda, a rockfish and an occasional yellow. He kept running up to the middle island rock to do a current check throughout the day, and we would send out a few baits, but nothing was really interested.

Finally at the end of the day he found what he was looking for and sent the chum flying. The yellows started boiling, and it was game on! We all had great shots at the fish as they were zooming and splashing around the boat chasing the chum.

Luckily with only 12 people on the boat. the tangles were kept to a minimum and we managed to boat the fish that we did not pull the hooks off or get rocked or have a sea lion eat it off the hook!

The bait ran out and we sadly had to point the nose of the boat back home. Pictures were taken and posted up to Facebook, the remainder of the tri-tip that Ray BBQ'd for lunch was eaten and we enjoyed a great ride home in flat seas, exchanging all the stories that fisherman tell on the way home from a successful and fun day!

# Lake Morena Campout 2017

*By Tim Macauley*

Picture perfect weather all weekend! Fabulous food! Big smiles all around! If you did not come to the annual Lake Morena Campout weekend you missed a lot of fun with your friends. Friday night again featured Tim and Jan Macauley's gathering at their space, featuring turkey and salmon burgers, sausage dogs, ranch beans, dill potato salad, Colleen McCune's Texas sheet cake and Jan's big chocolate chip cookies. Richard Lenyk and Bobby Rollins helped out at the grill.

Saturday morning featured crafts for ladies and kids – girls painted bird houses while the ladies painted beautiful cards using water color pencils, thanks to Tina Burlason and Debbie Patenaude. Meanwhile, the horseshoe tournament included five 2-man teams with, first place going to John Forster and John Jones and second place going to Cliff Johnson and Dwayne Patenaude and third place going to Eric Malone and Bob Lyman. The awards were given out by the organizer, David Chavez, at the Saturday night potluck.

Barbecue Mike was again on hand to provide delicious smoked tri tips, chicken and Italian sausages. Dwayne contributed ono and tuna which smoked beautifully. Donations to the potluck included salads, beans, and desserts.

Dave Haynes did an outstanding job at the Saturday night campfire, where about 8 new initiates were brought into the Red Rooster Club. S'mores were toasted, and adults and kids alike had fun around the campfire. After the kids went to bed, many fish stories and tales were told, until the rangers came and told us to go to bed.

Breakfast waffles with blueberries, bacon and sausages were served Sunday morning to those ready to get out of bed, by Chef Roy. After breakfast volunteers cleaned up the communal site and goodbyes were said, until next year.

Put on your calendar for next year 6/1, 2 and 3, 2018, our next Anglers' Campout.

## Next Twilight Trip, Friday July 7

Our next twilight trip is coming up fast, **Friday, July 7 on the "New Seaforth" at Seaforth Landing.** Please be there around 5:15 to 5:30, for check-in for a 6 p.m. SHARP departure.

We still have a couple of spots left on the trip, so if you would like to join the fun, see me at the next meeting or call me, Dwayne (619.972.1503), to get on board.

They have been catching calico and rock fish on the twilight trips. Please bring one rod, preferably your lucky one! We also have openings on our other twilight trips if you would like to join the fun!

## Warriors on the Water

*By: Debbie Patenaude*

Thursday, June 9th, 2017 at 5am found nineteen of our military and a few of our San Diego Anglers eagerly awaiting a fun filled day of fishing aboard the "Vagabond" out of Point Loma Sportfishing. Captain Mike Lackey quickly got our paperwork together, while our SD Anglers rushed about "meeting & greeting," verifying passports, filling out name tags, handing out raffle tickets, and giving our Warriors a brief overview of the day and what to expect. By about 5:45 we were headed to the bait barge where Buck Everingham donated the bait for the day!

The morning was calm, cool, with the usual June gloom and then a sunny afternoon. During the ride to the Coronado Island fishing grounds, the Warriors were served a breakfast of chorizo, egg, and cheese, and "Mary's Donuts." Meanwhile the crew and SD Anglers were scampering about rigging the tackle. We were hoping for a big day of Yellowtail and some Reds. Arriving at the Islands, we found lots of yellowtail that were taking the morning off. They just wouldn't bite, but that didn't stop anyone. Under the tutelage of our SD Anglers: Dennis Burlason, Shelly Cochlin, Dave Hanes, Gary Smith, John Forster, Bob Lyman, Steve Stachelski, Earl Asbury, and myself, it wasn't long before we were landing Calico Bass, Reds, and other rockfish.

Thanks to Chad Gierlich for his contribution of Hook Up Baits, which the fish were loving! It wasn't long before it was lunchtime and our chefs, Craig and Keith, whipped up burgers and sides that would challenge even the best burger restaurants! Back at it again, we spent the late afternoon searching for a Yellowtail that would bite, without success, and wrapped up the trip with a raffle that was amazing, special thanks to Bob Lyman for the donation of a 32" Flatscreen TV, and thanks to all of you who donated items and cash! We asked, and you rained raffle prizes. Our Warriors were so happy, they had the best time ever! We were told thank-you time and time again and we got lots of hugs. It was a beautiful day!

Special thank you to Mike Lackey for donating the boat, his crew for donating their time, Jim Bostian from Crystal Pier Cottages for the Mexican Licenses, and our main sponsor, Dave McMullen, with Ocean Science International, for his funding!
