## Upcoming Charters -August 2017

We have a few charters that have openings coming up in August. First is a 3/4-day trip on the “**Vendetta**”, **Friday, August 11**. Cost is \$140 plus \$30 for a Mexican Visa if necessary. A passport or passport card which is valid for the day we will be fishing will be necessary to get on the boat. (We had an unfortunate situation on the last charter where one of the passengers had an expired passport and he was not allowed to go on the trip). This is scheduled to be a Coronado Island trip, but this is the time of the year that the tuna could pop up outside the islands, and if that is the best available fishing, that is what they will do.

Next is a **twilight trip on Friday, Aug 18 on the “New Seaforth”** out of Seaforth landing. Cost is \$10 for adults, and juniors under 16 fish for free. We have had great calico fishing the last few trips and we hope to keep the streak going!

Next is a **3/4-day trip on the “Mission Belle” on Sunday, August 20** out of Point Loma Sportfishing. Cost is \$150 plus \$30 FMM permits if necessary. This will be our first charter on the “Mission Belle” with Captain Peterson and we should do excellent. There is just a few spots available, so let me know asap if you would like to join us. Passport or passport card required on this trip also.

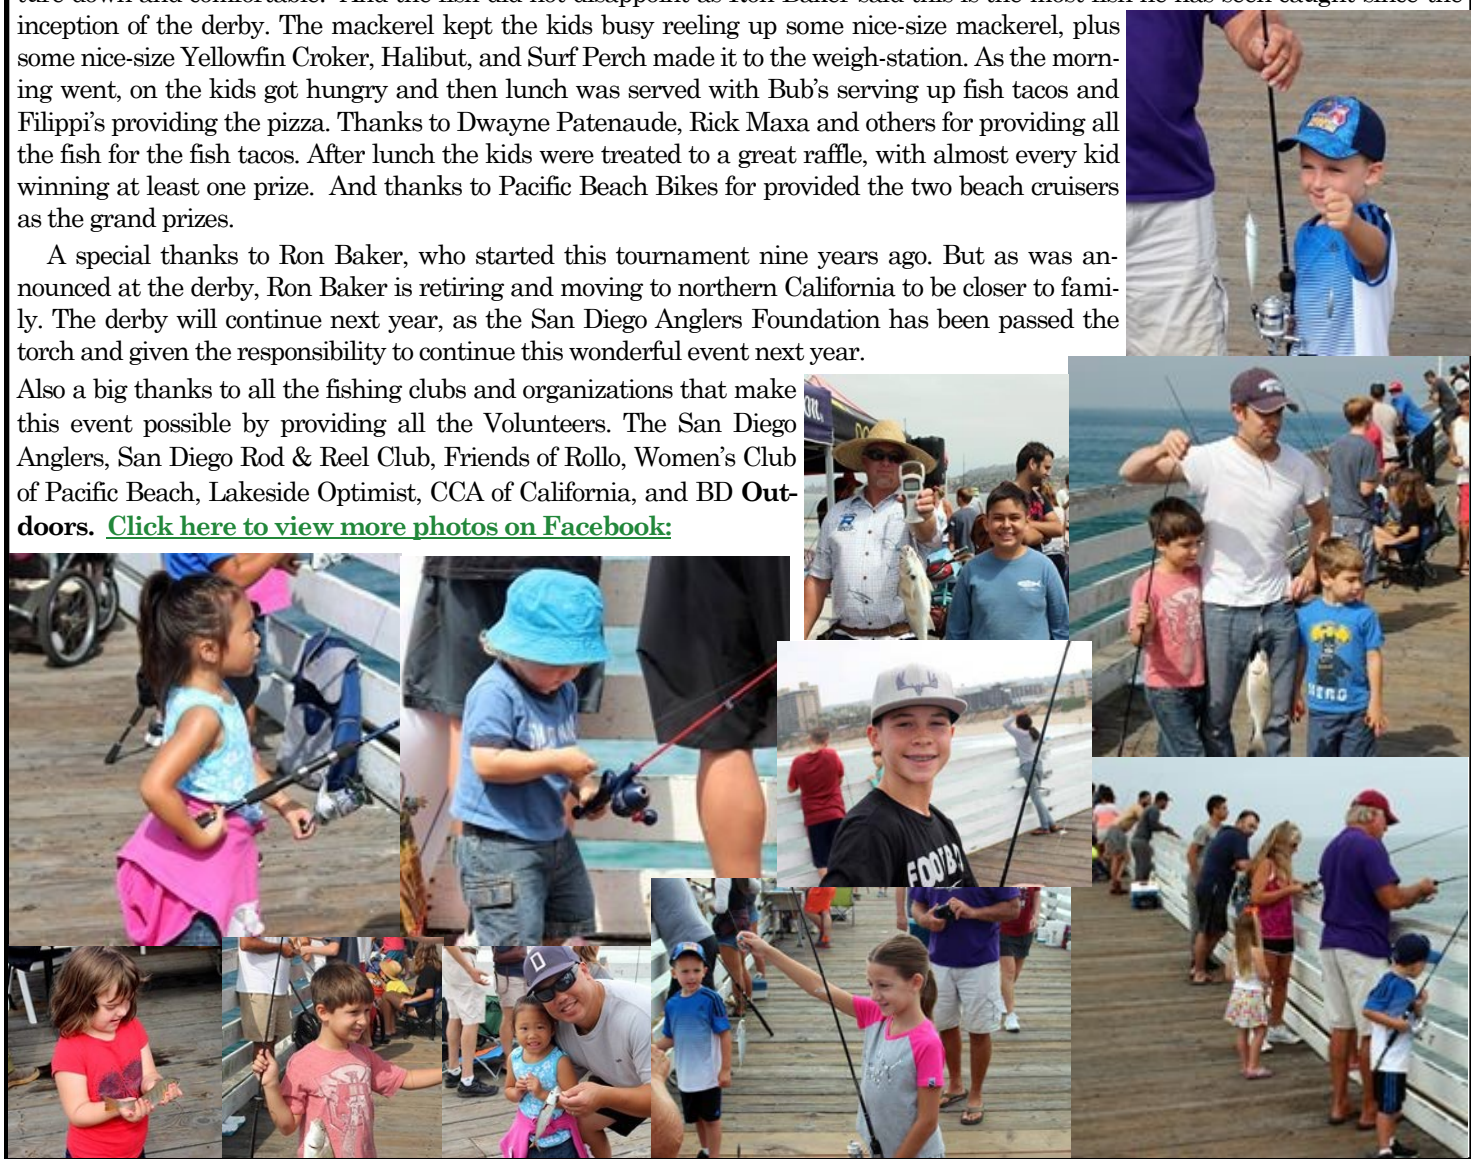

Finally, we have a spot open up on the always full, **2-day trip on the “Success”** on Sunday evening, **August 20, 2017** out of Point Loma Sportfishing. Cost is \$660 plus permits if necessary. Limited load of 12. Normally this trip is full, but we have a last-minute cancellation that I need to fill. We always do great on this trip, last year we caught blufin to 270 ponds on the Yummy Flyer. The trip is always best available fishing, so we do not know what we are going to do this far out. We leave Sunday evening, August 20, around 8:00 p.m. and return Tuesday evening, August 22, about 6:00 p.m. If you are interested, let me know. Dwayne, 619-972-1503 or dwaynesda@juno.com

## Capt. Ron Baker's Kids Fishing Derby

The 9<sup>th</sup> Annual Kids Fishing Derby at Crystal Pier took place on Saturday, July 22nd, with an estimated crowd of 160 kids, plus moms and dads. Could not ask for a better day of fishing as the marine layer stayed around in the morning, keeping the temperature down and comfortable. And the fish did not disappoint as Ron Baker said this is the most fish he has seen caught since the inception of the derby. The mackerel kept the kids busy reeling up some nice-size mackerel, plus some nice-size Yellowfin Croker, Halibut, and Surf Perch made it to the weigh-station. As the morning went, on the kids got hungry and then lunch was served with Bub's serving up fish tacos and Filippi's providing the pizza. Thanks to Dwayne Patenaude, Rick Maxa and others for providing all the fish for the fish tacos. After lunch the kids were treated to a great raffle, with almost every kid winning at least one prize. And thanks to Pacific Beach Bikes for provided the two beach cruisers as the grand prizes.

A special thanks to Ron Baker, who started this tournament nine years ago. But as was announced at the derby, Ron Baker is retiring and moving to northern California to be closer to family. The derby will continue next year, as the San Diego Anglers Foundation has been passed the torch and given the responsibility to continue this wonderful event next year.

Also a big thanks to all the fishing clubs and organizations that make this event possible by providing all the Volunteers. The San Diego Anglers, San Diego Rod & Reel Club, Friends of Rollo, Women's Club of Pacific Beach, Lakeside Optimist, CCA of California, and BD Outdoors. ## De Anza Cove Summer BBQ 2017

This year's Summer Beach BBQ featured a nice venue under a large tree shading everyone. After the fog burned off it was a beautiful, sunny day. Everyone sat around until BBQ Mike did his magic on pork ribs, sausages and chicken and the feast for 48 was served at 12:30. The sides included beans, salads and desserts.

A couple of lawn games kept adults occupied and kids went down to the beach. After the big meal the grownups played volleyball. Debbie Patenaude brought a piñata that was filled with candy for the kids and everyone participating took a whack at it before it finally fell apart. The party broke up around 3:30. Tim Macauley wishes to thank those who came down early to reserve our great spot, including Debbie, Dave Hanes, Kevin Burkhart and Earl Asbury. John Otto brought breakfast burritos for those who came to set up. Make plans to be at our Summer Beach BBQ in 2018!

## Charter Report - 3/4-Day trips on the "Vendetta" and "Liberty"

We had great trips to the islands on both trips! On the "Vendetta", we grabbed our bait at the receiver and Captain Ray told me that he was going to bring a tank of chovies on this trip, because of what he saw with the bass wanting to play the day before. It ended up being a great decision. We pulled into the Islands and did the normal searching for the yellows, but the current wasn't quite what Ray was looking for, so we headed on down to South Island. He metered around, found what he was looking for and had Nick throw a scoop of anchovies as he was dropping the anchor. The ocean came alive as the calicos and barracuda chased the anchovies to the surface. It was game on the rest of the morning as we enjoyed excellent calico bass fishing. Fish were eating everything, with calicos to 7.5 pounds coming over the rail. For the afternoon, we moved around to the weather side of South Island and dropped the anchor, again as a scoop of anchovies went over the side with the same results: Bass and Barracuda jumping out of the water. Every once in awhile a yellowtail would come and play behind the boat, but they remained elusive for whatever reason. At the end of the day when we were getting ready to leave, the yellows decided to eat and we ended up with 6 or 8 yellows to about 17 lbs for our efforts. We caught and released so much fish that day that everyone's arms were sore and were actually sitting down and not fishing anymore. I think there was only 3 people fishing when the yellows hit at the end of the day as everyone else was rubbing Ben-Gay on their sore arms! We all walked off the boat with big smiles and even bigger bags of fish!

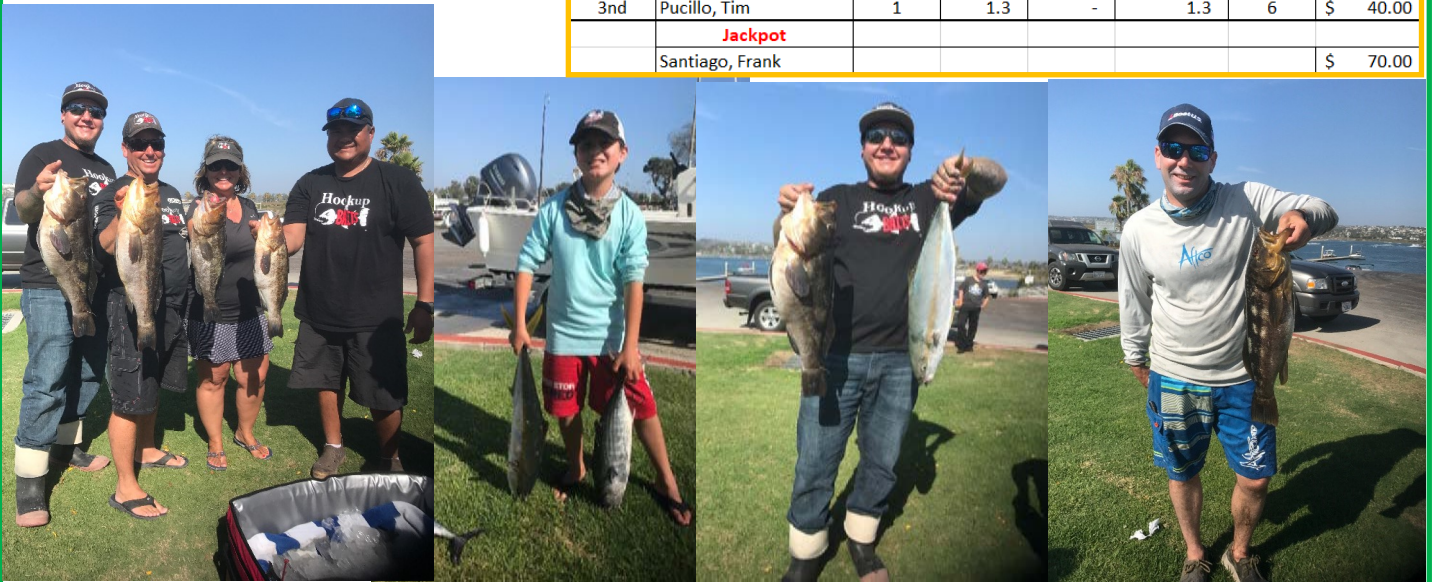

The following Thursday, 30 of us boarded the "Liberty", for our first-ever charter on the new 3/4-day boat out of Fisherman's Landing. It is a very large boat with plenty of deck space, huge galley and seating and bunks for when you need to lay down. Crew was excellent, along with Captain Taro! We loaded up our bait with the same game plan as the week before: Yellows the primary target and everything else secondary. We got to the Islands to find a massive bird pile up outside North Island. We scooted over there to find no fish but a sea of anchovy scales everywhere in the water. Whatever attacked the anchovy ball was long gone, leaving only the scales! We ducked into the island on the weather side and the conditions looked pretty good as we chucked bait and caught a few fish on the irons and firecracker sardines that we had on board. We hung around waiting for the current to start flowing a little more to the east for the fishing to really turn on, but it did not, so Taro headed down to the ever-so-popular weather side of South Island. The rest of the fleet was there also and we slid in to join the party. We started catching yellows and bass but not fast enough for Taro, so we pulled the hook and started searching to the south, along with the boat "San Diego". We picked away at schools of yellows for a few hours, then moved back to South Island to drop the hook again. This time it would not disappoint. The yellows charged the boat and did not stop until we pulled the hook and went home. We ended up catching over 100 yellows that day, along with the many bass that was available if you chose to fish for them! We had an excellent day on the water as everyone either retired to the galley to get a giant hamburger from Sarah or to those great bunks down below for the short ride home from the Islands, as the "Liberty" is a very fast boat. So fast, the crew did not have time to clean all of the fish on the way home and we had to stop outside the mouth of the harbor for 30 minutes as we finished up the job. And as the previous Thursday, we all walked off the boat with big smiles and even bigger bags of fish!! I am guessing these charters will fill up again right away next year!! See photos from the trips on the next pages.

### 3B tournament on July 22nd.

Nine adults and four juniors participated in the club 3B tournament on July 22nd. The Crystal Pier kids fishing derby held on the same day limited some entries, but those that did come out were greeted with a beautiful day and calm seas. Participants that went down to the Coronado Islands seemed to have the most success, as quality fish of all species were definitely in the area. Unfortunately, nobody was able to bring all 3 species to the scale, with the barracuda being absent from the weigh sheet. Even though the Barracuda were the most elusive, several just short of the 28" size limit were caught. Overall, the fishing was good, and Frank Santiago also pulled in a halibut just over 20 lbs on a Hook-up Bait!

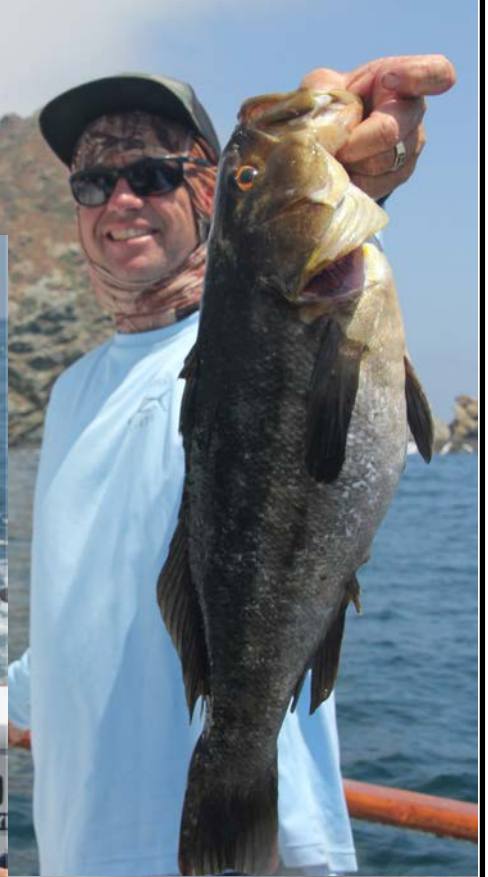

After the event, everyone enjoyed some pulled pork sandwiches and refreshments at the South Shores Launch Ramp in Mission Bay. Dwayne, Louis, and Dave stopped by after the Crystal Pier Kids Derby to help out with the weigh-in. Also, a big congratulations goes out to junior angler Tim Pucillo, who caught his first yellowtail in La Jolla during the event - Way to go Tim!! Here is a summary of the tournament results:

Our next twilight trip is coming up fast, **Friday, August, 18 on the "New Seaforth"** at Seaforth Landing. Please be there around 5:15 to 5:30, for check-in, for a 6 p.m. SHARP departure.

We still have a couple of spots left on the trip, so if you would like to join the fun, see me at the next meeting or call me, Dwayne (619.972.1503), to get on board.

They have been catching calico and rock fish on the twilight trips. Hook-Up Baits seem to be the favorite right now. Remember, the rail behind the bait tank is for the kids.
