2019 Lake Cuyamaca “Fishing in the Pines” Kids Derby

By Dave Haines

Hey Brothers and Sisters Serving/Cooking/Prepping Members,

Kid's Fishing Derby

Prep Day: (9:00am Friday the 27st) started out great at Al's house with all our fillet masters: Dwayne Patenaude, Nick Nichols, Mike Tombleson, Charley Fouquette, Cliff Johnson, Johnny Jones, Butch Paddock, Al Staz. and myself at Al Stasukevich's Pondarosa. We had a well-oiled fillet/marinade/packing process going in **“record time”** according to Al, to get those beautiful Wahoo & Yellowfin fillets cut, marinated, and bagged up for Saturday.

THANKS, AGAIN, FILLET TEAM. **Game Day:** WOW, Saturday the 28th morning, 0630, wet, raining worrisome beginning to what turned out to be a **“record turnout”** (I thought he said maybe close to 800?) According to Butch, we broke records this year!!! What a great day for a Kids Fishing Derby! John Otto and myself headed out to meet up with Kevin Burkhart, Jill & Ray Broadfoot & **with no Paxton? (Jill & Ray's Grandson)**, Debbie, Shannon (Mom with little Ander) and, Uncle Tyler, & son Gunner, supporting fellow SD Angler Sonya Stachelski at her establishment (the Ramona café), and WOW what a breakfast. As we sat there enjoying breakfast outside in the **RAIN** (Purple rain, Purple rain) with John & Denise Forster & young'n (Smalls); Newfinland (Doggie) there was a little anticipation of a not so great turn out. We left the restaurant, and it kept raining progressively harder as we moved closer to Dudley's, where we pulled in for a couple loafs, and more rain. On the road again and off to Julian. We made the turn and it slowly started slowing, and by the time we rounded the bend before the Lake the rain had pretty much stopped. We arrived at the lake about 9:45, noticing many, many, many, many more vehicles than usual, and a lake full of Junior Anglers wetting a line! The cooking and serving stations were starting to come alive and setup was well underway. Butch's staff made it pretty darn easy to grab a parking place, and our tools and we were off to the races getting things prepared to cook for and serve the mass amount of Little Fisher persons and their families on that great mountainous paradise.

The morning progressed and before we knew it the time had come to get busy with the task at hand of feeding approximately 700-800 people. **THANK YOU, TEAM, FOR A GREAT JOB. WE DID IT AGAIN!!!**

We had some newbies that I would like to mention and thank for coming & welcome to the team: Chris Fletcher, Gunner Hart, Andrew Hauser, & John Gleaves. All of the chefs on the grills, the servers, & everyone that helped was very much appreciated and I thank you for everything: Al Staz, Louis Almeida, Nick Nichols, John Otto, Kevin Burkhart, David & Destiny Chavez, Ray and Jill Broadfoot, John & Denise Forster (& Smalls) Eric & Kim Klingensmith, Doug & Dora Shulte, David Ameika, Jessie & Alysia Jones, Andrew Hauser, John Gleaves Charles Fouquette, Cliff Johnson, Dwayne & Debbie Patenaude, Dan Hart, Shannon & Tyler, Gunner, Mike Tombleson, Butch Paddock, John Jones and Myself, Thank you, guys, Great Job!!! We missed those who couldn't make it this year and look forward to your help in the future. Lots of Kids, & lots of people ate and drank because of you guys!! Thank you all so much for volunteering. It sure makes a difference for all of those kids and the event. I hope you all had a good time, and I don't know how many times I heard **THANK YOU** from the Customer (Participants) for all our efforts!!!

Thank you, O.P. Ball, Butch & Crew

**GREAT JOB TEAM!
WOW WHAT A TEAM!**

2019 Bay Bass Tournament

by Sam Lindsey

San Diego Bay, November 16th another outstanding fall day, weather was sunny and warm with calm waters. There were 18 anglers signed up for the Bay Bass Tournament. We had 11 men, 3 women, and 4 juniors. 20 fish were weight in by 14 anglers. Ranging from 1.2 lbs. spotty to a 3.9 lbs. Sandy. With Halibut as the Jackpot Fish 30" 10.3 lbs.

It was a great day on the water and at the weight in. Several other club members' show up to see how things went. Lots of talking about fishing, of what went on the water and of things that could have been, or what was hope to be. Regardless of what they caught it was a good time for all.

We are looking forward to the New Year and a new round of club fishing tournaments. Thanks to all who participated, supported and help out with this years tournaments.

23rd Annual Open Bay Bass Tournament-Sat, January 25, 2020

By Dwayne Patenaude

Let's try it again!! After last years blow outs (twice) due to the heavy wind, we will try it again. Lest keep our fingers crossed for better weather!

The entry forms should be ready by the beginning of December if you are going to fish it. If not, we need your help as a volunteer. To the new club members, the Bay Bass Tournament is our signature event. We could have 300 fisherman and the crowd at the BBQ/Raffle could be 750. We need help getting the boats checked in and launched in the morning. We need help setting up the weigh station and the BBQ area. We need cooks and servers. We need raffle ticket sellers. In short, we need about 65 people total to make it happen efficiently. Mike Kezele will be gathering up the volunteers' names between now and the tournament. Let us know as soon as possible if you can help.

Now to the tournament. Our Title Sponsor is Boat U.S. (formerly Vessel Assist). Thanks to Rob Butler for his generous sponsorship! The details are this: We have two different divisions: boat division and kayak division. Top prize in the boat division is \$1500, sponsored by Fishermans Landing Tackle. Top prize in the Kayak division is \$500, donated by Fast Lane Sailing and Kayaks. The boat division is a team event with no more than 2 in a boat. If we get a full field of participants, we will pay down 25 spots in the boat division and 5 spots in the kayak division. Each division is won by the largest sack weight of the 3 largest bass per vessel. (Calico, Sand and Spotted Bay Bass).

Official Rules will be listed in the entry form. When the fishing is over, we have a giant BBQ ready to go to feed the crowd, and to end it all, we have a giant raffle. As of this writing, Penske Ford in La Mesa is sponsoring the Grand raffle Prize of \$1000 cash!

(We are still gathering sponsors for the event. And if you know of someone that would like to help sponsor the event, please let me know.)

The event is our largest fundraiser of the year. It helps to pay for those awesome monthly raffles, it helps to subsidize our great charters. It helps pays our annual insurance policies, the meeting room rental, and all the hard costs associated with our great little club. It is the reason we can keep our annual dues so cheap. Without the event, we would not be what we are. So, THANK YOU to all that have volunteered in the past, and we welcome all the new volunteers we will be meeting for this year's event. And I almost forgot: when things settle down, we have an AWESOME volunteer party at the Kezeles' in Santee to thank you for all your help. Stayed tuned for time and date.

Volunteers Needed!!

WE WANT YOU!

To all the new club members (and old veterans like us), we are looking for people to help us at the Bay Bass Tournament on Jan, 25, 2020. In total, we need about 60 people throughout the day. Even if you can just help for a few hours, it would be appreciated. (Free food and beer if that helps!) The jobs vary from checking boats in the morning, dock help, selling raffle tickets, cooking, serving food and, most importantly, clean-up at the end of the day, as we are pretty tired. We will be taking sign-ups at the January meeting, and if you can't make the meeting, you can contact Mike Kezele at mjkeze@cox.net or 619-733-9156.

Captain Phil's Tempura & Panko Tuna With Prosciutto, White Wine, Lemon, and Caper Sauce

Ingredients:

- 2 - cups of panko bread crumbs
- 1 - box of tempura batter
- 2 - half pound sections of tuna loins (frying these separate)
- vegetable or canola oil for frying (enough to cover fish)
- 2 - tablespoon of olive oil
- 3 - thin slices of prosciutto sliced into half inch pieces
- 1/2 - of a shallot diced fine
- 1 - clove of garlic pressed or minced fine
- 4 - teaspoons of capers (whole and drained)
- 1/2 - teaspoon of lemon zest
- 1 - lemon, juiced
- 1/2 - cup of chopped Italian parsley (half will go into sauce and the other will be used for garnish)
- 1 - cup of cherry tomatoes (cut in half)
- 3 - tablespoons of butter
- 1 - cup of white wine (I like to use a pinot grigio like Berringer)

Recipe for the sauce:

In a skillet place the 2 tablespoons of olive oil and heat then add the prosciutto, cook till crispy and remove and drain on paper towel. Next add the shallots and garlic and sauté for about two minutes (careful not to burn garlic). Then add white wine, lemon juice, and lemon zest, capers, 1/4 cup of chopped parsley, and the 3 tablespoons of butter. Heat to a good simmer and reduce to about half and set aside (when the fish is done you will reheat the sauce and add the cherry tomatoes).

Recipe for the fish :

Make up the tempura batter as the box says. Heat up the oil to 350 degrees and place panko bread crumbs into a shallow baking dish. When oil is up to temp dip one section of tuna loin into tempura batter and into panko bread crumbs and fry one at a time for about 2 to 3 minutes(for a nice rare) just until golden brown and drain on paper towels and repeat with second piece of fish and let rest. (See note at bottom)

Next reheat the sauce and add the tomatoes and sauté for about 3 to 4 minutes but don't overcook to keep them firm. When the sauce is done, slice the tuna across the grain about 1/4 thick add sauce to plate set fish and add more sauce around and over fish and garnish with crispy prosciutto and the rest of the fresh parsley.

Enjoy, Captain Pelican Phil

Sauce: In separate pan heat up butter and add mushrooms and sauté for 2 minutes. Next add the rest of the sauce ingredients and cook for about another minute, heat up to get a little simmer but be careful not to burn the coconut milk. Place a little sauce on plate and plate the fish patties and add a little sauce on top. This makes a great appetizer or a meal with a side of white rice and I like a little Sambal oelek chili sauce (Asian section) on the side.
