The San Diego Anglers

Are Proud to Present

Tommy Gomes

“The

Fishmonger”

*****2nd Wednesday, September 8th, 2021*****

At our September Location: Portuguese Hall

2818 Avenida De Portugal

San Diego, CA 92106

On the corner of Shelter Island Dr. & Shafter St.

Doors open at 6:00 p.m. Meeting starts at 7:00 p.m.

Tommy Gomes, as the son of a commercial fisherman, was part of a **Portuguese fishing family** that settled here in 1892. His uncles were the adventurous and rugged pioneers of the American tuna fleet, and Tommy, as a youth, tied into that heritage. “Growing up around boats as my father and brothers were all fishermen, is how I got my start: working on vessels as a galley boy, sports boats as a pinhead, and then working my way through the ranks and into the pilothouse on commercial vessels.”

Gomes, who has long been the public face of Catalina Offshore Products, will no longer be involved in the wholesaler's day-to-day operations. During his 15-year tenure with the company, Gomes led the development of Catalina's walk-in fish market and founded Collaboration Kitchen, a nonprofit dinner series. Going Solo as **Tommy the Fishmonger®**, he will explore new projects and continue his advocacy work related to the sustainable seafood industry. He will still act as an ambassador and chef liaison for Catalina Offshore while building an independent consulting business that will work with restaurants, markets, and other organizations through cooking demos, educational classes, speaking engagements, and having his own show on the Outdoor Channel, “The Fishmonger.”

Don't Forget to Wear Your Badge

Every Club Member who wears their badge at our meetings will receive a **Free raffle ticket**. Winner of the badge raffle gets \$20 in free general raffle tickets.

“Vendetta” Full-Day

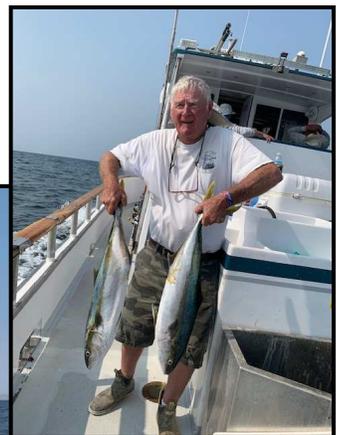

August 23, 2021

A load of 12 San Diego Anglers set off to the fishing grounds at the Coronado Islands. Light hearted with Captain Ray at the helm, and expecting a great day of fishing, they weren't disappointed! There were plenty of Yellowtail and Rockfish for everyone. Right about lunchtime, Captain Ray put on a feast of Tri-tip, rice, and salad! Then, back to more fishing and catching!

This little boat and its captain and crew have a great reputation for fun and consistently putting fish on the boat!

1st Annual Earl Asbury Memorial Tournament
Awards Ceremony & End-of-Summer BBQ

Sunday, October 3rd, 2021

De Anza Cove, Mission Bay

11am to 4pm

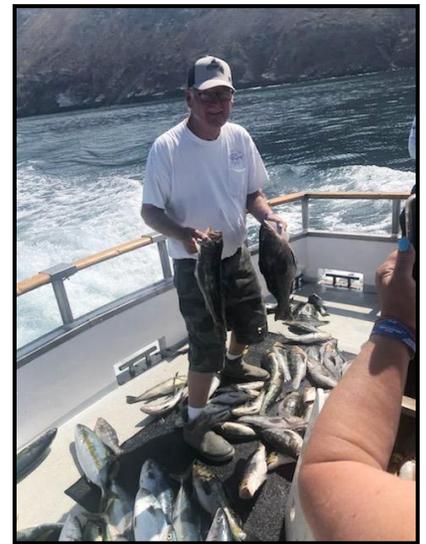

All San Diego Anglers Club Members and their families are invited to share in our festivities. The Earl Asbury Memorial Tournament will end at 5pm on September 26th. The Awards will be handed out at the End-of-Summer BBQ.

In the past this has been a potluck, but this year, to honor our dear friend Earl Asbury, the San Diego Anglers will provide the food and drinks (If there is something special you want, feel free to bring it). Mike Kezele will be making his famous rotisserie pork, and Tyler Hart will be smoking his famous baby back ribs... just a preview!

Come, bring your sunscreen, a lawn chair, and hang out with friends. You may even like to join in some games.

The "Mission Belle" 3/4-day August 8th, 2021

Another Beautiful day off San Diego! The Yellowtail were all around the boat, but as soon as we stopped on a spot, they would sink out. Fishing was tough, and the seals were really hungry. It took Billy from Arizona to show us how it was done! We were able to boat a number of Yellowtail. Seems like the trick was to get your lure or bait out as far away from the boat as possible. Captain Steve even broke out his 10ft rod. Any day on the water is a wonderful day!

San Diego Anglers Foundation-Pro Kids, First Tee, Fishing Trip

By: Dwayne Patenaude

The Foundation was contacted by Christine from ProKids out of City Heights and asked us if we could take a bunch of kids fishing on a half-day trip. "Of course we can," we told her as we had just received a large check from ex-clubmember Matt Green, who now lives in Florida. He asked us to take some kids fishing, and coincidentally, Christine's call came a week later.

We chartered the "New Seaforth" for the afternoon of Thursday, August 19th, with Captain Julio at the helm. He takes us twilight fishing and knows our group very well and what we are about: Having Fun!! We contacted Chad and JoJo at Hookup Baits and asked them to help sponsor the kids fishing trip by putting someone on board and to supply lures for the afternoon.. "Calico" Frank showed up to do the honors, and away we went up to our favorite spot off La Jolla. Club President Ray joined us, with many volunteers from the club also helping, including Kevin Bayne taking the photos. Hookup Baits were tied on the 45 rods and after a brief stop on the way up, we went to the "San Diego Anglers' Fishing Hole" off La Jolla. Conditions were perfect, with no wind and the current pushing into the beach. Captain Julio said this was the first time all year that he has seen the current going in his favorite direction. It was looking real good for an epic trip!!

It took a few minutes of chumming, but the Calico bass showed up in force as they followed the chum back to the boat and the kids had a great time jacking Calicos into the boat. It was literally "raining Calicos" as the deck hands and all the volunteers were kept busy tying on new Hookup Baits, unhooking fish, teaching the kids how to use their lures. Before we knew it, it was time to pull the anchor. I was in the bow and heard people yelling, NOOO," as they wanted to continue to catch bass. I do not know how many we caught but if someone said 300, I would not argue. I would say Calico Frank from Hookup baits probably hooked 100 himself as he worked the back of the boat with every kid who came to him looking for help!

We are hoping that the introduction of saltwater fishing to the kids will spark a lifetime love of the sport we all love! I cannot express enough gratitude to Matt Green for supplying the money and Hookup Baits providing the lures to make a very memorable day for the kids!

2021 August All Species Tournament

Well, it was a great three weeks of fishing, August 1st thru the 22nd. We had 18 anglers signed up for the tournament. Of the anglers, 5 were juniors, who all turned in qualifying fish weight receipts. There were 13 Adults: 3 women, and 10 men. All the women also turned in qualifying fish weight receipts, with 2 of the women being prize winners, and one of those women is our big winner. We had 5 of the men turned in qualifying weight receipts.

There was a total of 39 weight receipts turned in, ranging in point scores from 20.0 points (4lbs. dorado) to 220.0 points (63.0 lbs. Bluefin Tuna). I will tell you that most of the receipts came in in the last week of the tournament. So, what can we take away from this information: Most anglers do better under short time frames and the women and juniors are outfishing the men...?

In looking at the weight receipts turned in, the fishing (more importantly the catching) took place all over the place: from north of the north end of the 9-mile bank, the 209, the coast, the bay, and out at the Islands. The fish were caught from the docks, kayaks, private boats, and party boats. So, it looks like it is wide open for catching fish.

Remember the Earl Asbury Memorial Tournament has already started (August 1st) and was running in conjunction with the All-Species Tournament. We have had a couple of our anglers already turn in multiple measurement receipts for this tournament. However, there is plenty of time to get out there and catch the winning fish. The Earl Asbury Memorial Tournament goes on through Sunday, September 26th, 2021.

2021 August All-Species Tournament Winners

The winners of our All-Species Tournament are:

Juniors: Varsity: 3rd place Justin Larson 6.7 lbs. Dorado = 31.5 pts - \$25.00

2nd place Vincent Hauser 11.74 lbs. Yellowtail = 68.0 pts - \$35.00

1st place Cash Troop 5.2 lbs. Calico = 114.4 pts- \$50.00

Adults: 5th place Jojo Pemberton 5 lbs. Calico = 110.0 pts – Free Entry

4th place Adam Larson 33.0 lbs. BF tuna = 115.5 pts - \$78.00

3rd place Chad Gierlch 6 lbs. Calico = 132.0 pts - \$130.00

2nd place Tom Troop 2.7 lbs. Spotty = 135.0 pts - \$182.00

1st place Janice Krause 63 lbs. BF Tuna = 220.0 pts - \$260.00

Congratulations to all our anglers! What a great list of weight receipts! I am looking forward to seeing what is coming for the Earl Asbury Memorial Tournament. The fish are out there, let's go get them!

We Need Your Help

The San Diego Anglers is a very active club and a lot of work goes into all the events and charters we have. If you feel you have a little extra time that you could donate, we could use help in areas like our newsletter, events with set-up & take-down, and/or the club meeting raffles. It is not too early to be thinking about becoming a board member, we will be having a couple of openings coming up at the end of the year. **There's lots to do.** Call Ray Broadfoot at 442-264-4610 or Debbie Patenaude at 619-987-2037 for more information.

San Diego Anglers Foundation Pro Kids, First Tee, Fishing Trip Parent Feedback

The fishing excursion will go down in history as one of Evan and Destiny's best memories. Ever since discovering fishing in the spring at a church event for kids with special needs, Evan (in particular), asked to go fishing almost all the time. We went to the Imperial Beach pier and to Chollas Lake for hours without catching a fish. Somewhere along the way, a fisherman said we needed to go deeper in the ocean.

The kids could not have asked for a more perfect day to do just that than when they went with Pro Kids. I remain blown away by the generosity of the crew in terms of their time, their preparation, and their full engagement with the kids the whole boat ride. Not only did they encourage the kids and help them catch lots of fish, they really seemed to enjoy spending time with them and teaching them a passion of theirs. The fact that the kids got to keep their fish and have it filleted on the boat was an extra bonus as well as the complimentary vending arrangement and the impressive gifts at the end. I enjoyed watching the kids experience such a magical moment (even if it meant hearing more "Can we go fishing?" remarks on speed dial since). Thank you for letting us know about this opportunity.
