## Twilight Trip #3 July 17th, 2015

Friday evening at 5pm, 60 San Diego Anglers and their guests loaded on to the New Seaforth out of Seaforth Sportfishing for our 3rd Twilight trip of the summer. The weather had been a little questionable but the sea was calm and the evening was lovely. We started out fishing for Calico Bass in the kelp beds off Point Loma with sardines that were nearly as big as the bass and squid strips! The bass were full or just didn't want to put up much of a show. Our Captain for the evening worked very hard at finding fish for us and we finally settled in to drop-per loop fishing, fly lining, and plastics for bottom fish. We did have a flurry of Barracuda and **Jim Medlin won the JP with his Barracuda!** For our Junior winners: in **1st Place** was **Gavin Terpening** with his Tree Fish (be sure to ask Gavin how a Tree Fish smells) and **Wyatt Cargel in 2nd Place with his Johnny Bass.** By 9:30 we headed for home tired and happy with the Sea World fireworks putting on a show for us.

## Summer BBQ at De Anza Cove

The San Diego Anglers Summer BBQ at De Anza Cove on Sunday, July 26th was one of the best yet! A big thanks to Glenn Gerber, John Otto, and Debbie Patenaude for getting down to the beach by 5am to save a water front spot!

About 75 showed up to sample BBQ Mike's tri tip, baby back ribs, chicken, and hot dogs with only a couple of pieces of chicken left! Thanks to everyone for bring appetizers, side dishes, and desserts. We even had a apple pie moonshine cobbler for those over 21 and a peach cobbler for those under 21!

The kids had a hula hoop contest with Spencer coming in 1st and Natalie coming in 2nd. Then the men of the group loosened up and showed their skills at volleyball. Gary will be giving lessons on how to dive, roll, and face plant. Louis and Cliff will be giving lessons on serving.

Lots fun, hanging out with friends, and of course talk about the terrific fishing this season, thank you El Nino! The Wilcox family even got to show off the new kayak they purchased on the way down to the BBQ. See what happens when you drop in at Fast Lane!

Be sure to put the Summer BBQ on your calendars for next year and come join in on the fun.

# 2015 CHARTERS

We still have plenty of room on most of our charters. We have one spot that opened on the normally full 10 day charter on the Vagabond and plenty of room on the twilight trips. I will have all the sign up lists at the July meeting and if you have signed up for charters but did not pay at the last meeting, please bring your payment.

## Vendetta 3/4 day Trip

On July 10, we had our 3/4 day trip on the Vendetta. Ray had us get to the boat early (4 am) to beat the rush at the office for FMM's and the bait barge line. The boat is set up nice with 12 bunks available to catch some zz's on the way down and back. Bunks are unusual on 3/4 day trips so they were a welcome sight for a few as many sacked out right away, saving their energy for the upcoming yellowtail bite. We arrived at North Coronado Island where the previous day Captain Ray Summers had great luck on larger yellowtail. It did not take very long before Ray sonared up a school of yellows. Pretty instant hook ups for those that threw bait. The few of us throwing iron saw very quickly after a few schools that the yellows wanted the bait over jigs. We traveled from school to school to school throughout the day on flat, sunny seas catch 2 to 10 fish per stop. By the end of the day we had almost limits (5 fish per person) before we used up our last sardine. We turned the boat for home, ran over a few more schools on the sonar with no more bait and watched as Nick cleaned fish for the next few hours as we cruised home.

It was another great trip for the year and if I remember correctly, we might have a spot on one of the next 2 Vendetta trips. If you can't wait, find Ray on Facebook -Vendetta sportfishing. If you Friend him, then you will get last minute alerts when he has a last minute opening. The boat is limited to 12 so you will never be crowded. And with that in mind you are limited to 3 rods as he only has about 40 rod holders on the boat.

## 3/4 Day Trip Aboard the "San Diego" June 28th, 2015

All Aboard.... 30 San Diego Anglers were promptly at Seaforth Sportfishing at 5am eager to set out on Ryan Bostian's "San Diego" for a day of fishing. The wharf was buzzing with excitement! The fish were biting and we were all are anxious to get to the fishing grounds. We headed out and made our first stop slightly south east of the Coronado Islands. We didn't have to wait long, captain Taro put us right on the fish. HOOK UP.... nice 15 - 20Lb yellowtail were all around the boat. Surface iron, Yo-Yo, or bait, didn't seem to matter, they were all getting bit! It was pretty much like that all day with the ladies holding their own right next to the guys. By 3:30pm a very happy boat load of anglers headed home with limits of Yellowtail. Our crew was more than awesome today trying to be everywhere at once and even managed to take some photos for us. They did a great job of filleting all those fish! In fact the day was so great that rumor has it there will be another 3/4 day charter this summer so keep your ears open for the next date.

## New 3/4 Day Charter

Since we had so much fun on the last one, (Limits of Yellowtail!) we have chartered the 3/4 day boat San Diego again for another 3/4 day trip. The date is Sunday, September 13 and You must have a passport or a passport card to fish this trip. The cost of the trip is the same, \$125 for the basic trip. If we need to get FMM's (Mexican Tourist Cards) to fish the islands, that will be an extra \$25 the morning of the trip. But now we have a new wrinkle, which is good. If the tuna are biting and they are close, we will go after them. Because it will take more fuel for the day, there will be a \$10 per person fuel charge before we get on the trip but, because we will be outside the 12 mile limit required for the FMM tourist card, you won't need to purchase the \$25 FMM !! But, we won't know until the evening before on what we are doing as far as tuna or the Coronados.

I will have the sign up sheet at the next meeting. If you think you want to go on the trip, please bring your deposit to the meeting. It is a very popular trip so if you are serious, please come prepared because it will sell out!!

# Wounded Warrior Twilight Trip July 31, 2015

Fred Dunham

Wow! What a fine time we had on our recent "WWTT." The Calico Bass fishing was fantastic! Our first stop, just north of the Pacific Beach pier on the edge of the kelp, would start out red-hot and didn't slow down until dark. We had three that were five pounds plus. I don't have a boat count, however, we put a bunch of them on the boat in a couple of hours making our guests very happy. Moved out to deeper water, rigged dropped-lupe style, fishing the bottom for rock fish with squid. Didn't work out but the guests didn't seem to mind. They all stayed at the rail 'til the captain fired up the motors. We had some really hard-core fishermen that never gave up. Gave out three nice prizes for 1st, 2nd and 3rd largest fish. Largest fish was caught by the son of one of our vet's, about 10 years of age. First place prize was a pair of "Hoven" sun glasses, donated by "Hoven Vision" and we thank them for their help. Second was a pair of Padre field-level tickets donated anonymously by a SDA member. Our thanks to them as well. A nice 7', 15-40 lb. class boat rod was donated anonymously for the third place prize and, we thank you, whoever you are. David Chavez brought along hats and decals from Hoven Vision and we made sure our first-place winner got a hat and decal .. he was stoked! Other guests were given hats in a raffle as well.

Kudos to Seaforth Landing and the captain and crew of the "New Sea Forth." They went above and beyond the call of duty to make this a rewarding event for our Vets.

Can't close without thanking all those involved in making this trip happen. Without the help from Debbie Patenaude and David Chavez I would be in trouble. We had six other volunteers aboard to assist our fisherpersons. All did a wonderful job. When you see Debbie, David, Alan Branch, Paul White, Donald Pehl, John Pucillo, Charles Koeleman and Jim Medlin, please thank them.

Last but not least, the reward we all got is the joy it brought our vets. At the end of the trip, each and every volunteer came to me and asked to be put on the list for our next charter on September 10th. It is hard to put into words but we all got a special feeling giving back to our veterans who sacrifice so much for us.

We also thank the Department of Fish & Game, who provided fishing licenses for all at no charge, and Jackie Myers who is the program coordinator for San Diego Armed Services YMCA, and Glen Cook, acting as coordinator on behalf of Jackie because she had another commitment. Without them - No Trip!

## Warriors on the Water

On Thursday, September 10<sup>th</sup>, 2015 The San Diego Anglers will be taking a group of 38 wounded military out fishing. We will be fishing aboard the Eclipse out of Seaforth Sportfishing.

### How can you help??

Again this year, we will have a "No money Raffle." Each Warrior will receive a raffle ticket when they get on the boat. This is a highlight for our warriors. What we would like, is to have is enough items that each Warrior will win a prize. If you, or anyone you know would be willing to donate an item, gift cards, movie tickets, new sports item, or perhaps some of you may have won so many rods at our raffles that you would be willing to donate one just to get it out of the garage, etc, etc,... please call Debbie Patenaude at 619-987-2037 or Fred Dunham at 619-981-1372. A big Thank You to our sponsors Ocean Science International and Roger Lamberson.

**Thanks for making a difference!!**

### **Catchin' a Buzz With the Hoven Monix**

The first edition of the  
Hoven Argonaut Series,  
the Monix, is quickly  
catching the attention of

fishing, SUP, and water enthusiasts everywhere.  
Sure, all fishing shades are polarized, but these come  
with a built in retainer and a unique feature that makes  
them easy to take on and off, they split apart right  
where the lenses come together. However, they won't  
just fall off your face or break. There's a super strong  
magnet that holds them together until you're ready to  
take them off. Plus, a half-dozen lens options are  
available to suit any light condition outside. Set to en-  
ter big retailers like Sports Chalet June 1st.

Father's Day is right around the corner, wouldn't Dad  
want something worth fishing for?
