## 2016 SDA Month Long Yellowtail Tournament May 1<sup>st</sup> thru the 29<sup>th</sup>

Hello Anglers,

Let me start out by saying that I'm sorry that Mother Nature did not want to cooperate with us for the scheduled Halibut Tournament on the 23<sup>rd</sup> of April.

First and foremost is everyone's safety, and that is why I had to Cancel the Tournament with a stated Small craft advisory projected by NOAA for that weekend.

Now on with the good news,  
So that we don't have to worry about a one day event, we will have the opportunity to fish all Month for a prize Yellowtail and compete against our Fellow Anglers. This will also fit in the time frame with John Campbell's Yellowtail Derby.

Boat owners please submit a copy of your Insurance policy to be kept on file for this fishing Tournament season.

All info for the Tournament is on the entry form, So GOOD LUCK, and get a Bigg'in!

### Skipper points:

1<sup>st</sup> Place-----Mario Souza  
2<sup>nd</sup> Place-----John Jones  
3<sup>rd</sup> Place-----Jim Medlin

# GEORGE MANNSCHRECK

We are saddened to inform you of the passing of our oldest Anglers member, George Mannschreck, on April 20th, 2016. George inspired all who knew him. At 91, he was still going out on his boat. He was serving the community through the La Jolla Golden Triangle Rotary Club and giving hope to others in need. George was a WWII Veteran, served in the U.S. Navy, was married to long-time member Margie Mannschreck, had four adult sons, was involved in the Rose Parade, president of a Savings & Loan in Pasadena, President of Rotary Club of Pasadena, was a multiple Paul Harris Fellow, Charter Member of the La Jolla Golden Triangle Rotary Club, a heck of a golfer, a tremendous storyteller, and a wonderful angler. He caught a 248-pound Halibut last year. George loved teaching kids how to fish, took Wounded Warriors deep sea fishing a couple times a year, chartered boats for kids who had Muscular Dystrophy, and assisted at the Anglers' Open Bay Bass Tournament each year. He also loved to help at the OBB, and in January of 2016, at 91 years old, was determined to haul trays of food from the BBQs to the food lines. He'll be greatly missed out on the water and in the fishing community. George's zest for life was amazing, even when he was sick. Illness was something he didn't want to talk about, just talk fishing and golf. A small group of us got to go to his house a week and a half ago to present his 2016 Honorary Membership. George was up and about, taking us out to see his putting green and giving us a lesson.

The service and Celebration of Life for George Mannschreck will be Sunday, May 1, 2016, at 12:30 PM, at El Camino Memorial Park, 5600 Carroll Canyon Rd., in Sorrento Valley.

Questions can be addressed to John Pucillo, (619) 886-6870.

Our condolences to the Mannschreck family.

## DAY AT THE DOCKS

Clear, azure skies. The soothing warmth of an April sun lazing across the celestial realm. Balmy temps. Don't forget the sunscreen and stay hydrated.

Every Day at the Docks is a new experience no matter how many times you've attended, and 2016 went down as the best weather day in memory. 84 degrees and yet, semi-sparse crowds! Go figure! We kept busy at the mackerel pens, however, even though the pens were split between 2 separate wharves. The split wasn't planned, but intrepid club members easily made it work as if by design. The pen volunteers showed their natural skill and grace while introducing many kids to fishing. Once again, Tim Macauley and Gary Smith were at the pens from the opening gate to the closing bell. Those 2 uber-helpers have no idea how much I rely on them and appreciate their support - each year. John Otto pulled multiple shifts in the booth even though he was losing his voice! Thank you, John! I look forward to Day at the Docks each year due to the unwavering passion members have for making our D @ D's mission a success. My sincerest, heartfelt thanks to all who volunteered their time to represent the club at this great celebration. Day at the Docks is an important event for the club and our mackerel pens got morning air time on KUSI!! If you didn't get your free Day at the Docks t-shirt - many went unclaimed - see me at the May meeting. Tight lines, John D

## VENDOR SPOTLIGHT

### Wet Willie

**Will Schiffman**, an award winning product designer bought the boat of his dreams, a 2013 Boston Whaler Montauk 170. It was small enough to trailer down to Bahia De Los Angeles, a place he's fished each year for over 20 years. It was also sea-worthy enough to fish the local hot spots off San Diego's coast, where he basically lives, like the 9 Mile Bank, The Coronado Islands and La Jolla. But it is SMALL! He needed to get organized and make every space useful. So he got to work transforming his boat. He researched for things to customize his boat, Purr Sea Stance. After many questions and comments of admiration for his boat at the launch docks, he began producing parts and items for friend's boats and quickly realized that there may be enough people who would like the things that I had made for my boat on their boat too. So after much blood, sweat and tears at the beginning of 2016 Wet Willy Biz was born. We currently offer five products in dif-

ferent configurations: our Bucket, Knife, Jig and Drain Plug Holders, our Wet Willy Wallet and a complimentary group of wearable products.

### Hookup Baits

Hookup Baits is dedicated to making your next fishing adventure a more enjoyable, action-packed, and memorable experience. Chad Gierlich, founder and designer of Hookup Baits, has over 30 years of experience in the fishing industry. He has been Pro Staff for several companies and played a major role in the show "Top Hooker" where he provided professional advice on the types of products that should be used to ensure the best outcomes for the show, as well as demonstrating fishing techniques. Hookup Baits is a San Diego manufacturer of specialty fishing jigs and lures. They allow the fisherman to match the size and type of bait fish that game fish are feeding on. Unlike any jig design on the market, Hookup Baits utilizes realistic eyes, shape, color and action, which significantly increases the number of bites and fish caught. These jigs can be casted, jigged vertically and trolled. The patent pending designs are so effective and versatile that in the first three months of development and testing over 30 different species of fish were caught. The company offers 9 different colors and 8 different sizes for fresh and salt water fishing lures. Checkout [Hookupbaits.com](http://Hookupbaits.com) for Chad's weekly fishing reports, the latest news, and available products.

## OBB- Tournament of Champions Results

With the weatherman making big threats of rain and wind on tournament day, the field of anglers all showed up to a bright, sunny morning! The launch was great and the 23 teams took off to take advantage of the great incoming tide that was rolling to their favorite big fish spots. When we returned with the groceries for the BBQ, the sun was still shining and the wind had not started yet, but we were anxiously waiting and hoping we were going to get everyone weighed and fed before the skies opened up.

The weigh in went great with lots of great 3 -bass stringers coming across the scales. Lots of 3 to 4.5 pounders were very common! (Where were all these fish in January's OBB!!!) When the dust settled, the new **"Kings of the Bay" for 2016 were Brandon Buono and Dean Jamieson**. They caught 3 bass weighing 10.40 pounds for the 1st Place prize of \$750. (Dean and Brandon placed 2nd in this years OBB ). **2nd Place** went to previous OBB winners and TOC winners **Mike Hill and Lance Picotte** with 9.46 pound for a cool \$500. **3rd Place** went to a couple of unknowns in the bass fishing circuit here in SoCal, **Dennis Burlason and Ed Howerton!** They caught 3 fish weighing 9.23 lbs for \$250. Normally the big fish of the tourney is part of the first place sack, but not this year. **Ty Ponder and John Beerling** caught a beautiful 4.84 pound sand bass good for \$400 of jack pot money. (Their 3 bass sack weighed 7.97 pounds).

And yes, we did get everyone fed and on their way before the rain and wind hit! And just a little side story. When the anglers took off to go fish there favorite spots, Tony Souza went out to the cable crossing toward the mouth of the bay. While fishing the incoming tide, he noticed something tangled up in a large kelp patty that was drifting into the bay. Looking a little suspicious he went to investigate and to his horror, it was a drowning victim. After getting over the shock of what he saw, Tony called the harbor police. After taking care of all the police stuff, Tony went back to fishing but his day was never the same. A fun day went very sour for him very quickly. And very luckily his wife and fishing partner for the tournament, Barbie, decided to stay home and not deal with the wind and rain that was forecast. Little did she know that it also spared her from that grim discovery. We never have been able to find out who the victim was as it never made the papers or the internet. Whoever it was, may he rest in peace!

### Catchin' a Buzz With the Hoven Meal Ticket

The second edition of the Hoven Argonaut Series, the Meal Ticket, is quickly catching the attention of fishing, SUP, and water enthusiasts everywhere. Sure, all fishing shades are polarized, but these come with a built in retainer and a unique feature that makes them easy to take on and off, they split apart right where the lenses come together. However, they won't just fall off your face or break. There's a super strong magnet that holds them together until you're ready to take them off.
