Dennis Burlason and Ed Howerton are well known for their expertise as top-notch bass fishermen. They have won the San Diego Anglers Open Bay Bass Tournament four times which, is no easy feat considering the best of the best fish the tournament. They also have earned Championship and Angler of the Year Titles in competitive saltwater-bass tournaments throughout Southern California.

In addition to their bass fishing acumen, they are also accomplished offshore and all-around anglers. Some of their adventures and accomplishments have been featured on the "Stoked on Fishing" television

program. This month, Dennis and Ed will share some of their tactics and techniques that will help improve your local saltwater bass fishing.

SDA Junior Member Accomplishments

Jack Smith was the 2019 Junior Division Champion for the SoCal Junior Bass Anglers and placed 2nd in the Angler of the Year standings, so he will go on to represent the club in the State Tournament in May.

Way to go, Jack, and best of luck in the state competition!

Riley Garrett became an Eagle Scout for Troop 337.

Congratulations, Riley, on the superior effort and dedication!

23rd Annual Open Bay Bass Tournament-Sat, January 25, 2020

By Dwayne Patenaude

Let's try it again!! After last year's blowouts (twice) due to the heavy wind, we will try it again. Best keep our fingers crossed for better weather!

The entry forms should be ready by the beginning of December if you are going to fish it. If not, we need your help as a volunteer. To the new club members, the Bay Bass Tournament is our signature event. We could have 300 fisherman and the crowd at the BBQ/Raffle could be 750. We need help getting the boats checked in and launched in the morning. We need help setting up the weigh station and the BBQ area. We need cooks and servers. We need raffle ticket sellers. In short, we need about 65 people, total, to make it happen efficiently. Mike Kezele will be gathering up the volunteers' names between now and the tournament. Let us know as soon as possible if you can help.

Now to the tournament. Our Title sponsor is Boat U.S. (formerly Vessel Assist). Thanks to Rob Butler for his generous sponsorship! The details are this: We have two different divisions: boat division and kayak division. Top prize in the boat division is \$1500, sponsored by Fisherman's Landing Tackle. Top prize in the Kayak division is \$500, donated by Fast Lane Sailing and Kayaks. The boat division is a team event with no more than 2 in a boat. If we get a full field of participants, we will pay down 25 spots in the boat division and 5 spots in the kayak division. Each division is won by the largest sack weight of the 3 largest bass per vessel (Calico, Sand and Spotted Bay Bass).

Official Rules will be listed in the entry form. When the fishing is over, we have a giant BBQ ready to go to feed the crowd, and to end it all, we have a giant raffle. As of this writing, Penske Ford in La Mesa is sponsoring the Grand raffle Prize of \$1000 cash!

(We are still gathering sponsors for the event, and if you know of someone that would like to help sponsor the event, please let me know.)

The event is our largest fundraiser of the year. It helps to pay for those awesome monthly raffles, it helps to subsidize our great charters. It helps pay our annual insurance policies, the meeting room rental, and all the hard costs associated with our great little club. It is the reason we can keep our annual dues so cheap. Without the event, we would not be what we are. So, THANK YOU to all that have volunteered in the past, and we welcome all the new volunteers we will be meeting for this year's event. And I almost forgot: when things settle down, we have an AWESOME volunteer party at the Kezeles' in Santee to thank you for all your help. Stayed tuned for time and date.

Volunteers Needed!!

WE WANT YOU!

To all the new club members (and old veterans like us), we are looking for people to help us at the Bay Bass Tournament on January 25, 2020. In total, we need about 60 people throughout the day. Even if you can just help for a few hours, it would be appreciated. (Free food and beer, if that helps!) The jobs vary from checking boats in the morning, dock help, selling raffle tickets, cooking, serving food and, most importantly, cleanup at the end of the day, as we are pretty tired. We will be taking sign-ups at the January meeting, and if you can't make the meeting, you can contact Mike Kezele at mjkeze@cox.net or 619-733-9156.
