The San Diego Anglers

Are Proud to Present Guest Speaker

*Owner of California Flyer
The Ultimate Flying Fish Lure*

Jazz Morehead

The California Flyer was born out of necessity in a time where no artificial options existed that could get the job done. Extreme realism, durability, and lifelike action were the focal points when designing this bait, and we believe it ticks every box.

The California Flyer is to be fished from a kite and presented on the surface to imitate a flying fish's natural movements. Handcrafted one at a time, these lures are made by fisherman for fisherman in Southern California.

Visit www.Californiaflyerco.com and get on the email list for all the drops. Flyers are released to the email list. The last round sold out within days as anglers know how deadly they are.

CHARTERS! CHARTERS! CHARTERS!

By Dwayne Patenaude, Chartermaster

I finally got to talk with all the skippers, and the charters are set. I do not have prices yet (except for the "Vendetta"). Following is the list of the charters so you can put them on your schedule. I am not taking names or reservations yet as we still have a ways to go for the first charter in May. I think I am going to do what I did last year, as it made it very easy for myself and Earl, God rest his soul, and only take names for each charter as they come up on the schedule. I will collect the names and money, go fishing and make the deposit after the charter. The bookkeeping was a lot of work the way we did it before.

****On "Vendetta" trips ONLY** to the Islands: Price includes food, drinks, FMM, Biosphere bracelet. **IT DOES NOT** include Mexican Fishing license. You must purchase that separately. All other boat Island charters, these costs are extra. **12 passengers max.**

****On Twilight trips:** All are on Friday evenings. Cost is \$20 for adults, kids 16 and under are FREE. Limited to **42 passengers** and club members only at this point in CoVid, although things might change.

To Sign Up for the charters: As the next trip approaches, I will send out an email requesting sign-ups and payments. **BE SURE** that your email address is on the club's GMail account. **If it is not, PLEASE** send me a personal email so I can add it to the list. My email is **dwaynesda@juno.com**. **We do not know when the in-person meetings are going to resume, so this is a very important step if you would like to go on the charters!**

3-Day “Shogun” Charter Raffle

It's a common phrase to say it is more about fishing than catching - not the case on the recent “Shogun” 3-day. My name is Chris Paddock, and I was the very fortunate recipient of the “Shogun” 3-day raffle donated by Ray Broadfoot in support of the Wounded Warriors.

We departed the marina late morning with a planned 7-hour motor west to the grounds and arrived just after dinner. Started getting marks around 9pm, and the first bite was about 1:30am. Definitely a long evening; however I was able to land a nice 50# BFT on a 200g Shimano Flatfall. Very fun and exciting first night. The next day was a combination of tunas, sharks and more sharks. We had our challenges but still successful and the weather was great.

The second evening, the weather turned on us and put us on a time limit. However the ocean's unpleasant swell got the fish excited again and we almost completed the boat's limits for tuna in a few hours, after which we headed toward Colonet to finish. We paddy-hopped for the day, with a mixed bag of tuna and yellowtail.

The crew was exceptional, the food five star, accommodations great and all-around service will have me returning to the “Shogun”, raffle or not.
