The San Diego Anglers

Are Proud to Present Guest Speaker

Owner of Tailhunter Sportfishing

Jill & Jonathan Roldan

Tailhunter Sportfishing is La Paz' premier full-service sportfishing and activities outfitter. Since 1995, they have specialized in personal hands-on service for family and friends.

After spending several careers as fishing guide, deck-hand, restaurant chef, TV and radio broadcaster and a litigation attorney, Jonathan arrived in Mexico intending to spend a single year as a break from being in the courtroom. That was in the mid-90's.

He got stranded in La Paz and found himself living in his van as a fishing guide! Almost 3 decades later, he's still here! Jilly, from San Diego, met and joined him in La Paz in 2003 and were married in 2008. They make their full-time

home in La Paz ("She's the brains!") and personally run two Tailhunter fishing fleets of 30 pangas; the *Tailhunter Restaurant Bar* on the waterfront; the *Tecolote Transportation Company* and enjoy the team of almost 50 employees and "Catlyn" their rescue-cat that doesn't know she's a cat.

Jonathan is also a PADI Divemaster and full-time award winning writer and has published over 3,000 articles about fishing in Baja and other venues. He is also the *Baja Editor for Western Outdoor News* and writes a regular bi-monthly column with over 70,000 distribution.

CHARTERS! CHARTERS! CHARTERS!

By Dwayne Patenaude, Chartermaster

I finally got to talk with all the skippers, and the charters are set. I do not have prices yet (except for the "Vendetta"). Following is the list of the charters so you can put them on your schedule. I am not taking names or reservations yet as we still have a ways to go for the first charter in May. I think I am going to do what I did last year, as it made it very easy for myself and Earl, God rest his soul, and only take names for each charter as they come up on the schedule. I will collect the names and money, go fishing and make the deposit after the charter. The bookkeeping was a lot of work the way we did it before.

****On "Vendetta" trips ONLY** to the Islands: Price includes food, drinks, FMM, Biosphere bracelet. **IT DOES NOT** include Mexican Fishing license. You must purchase that separately. All other boat Island charters, these costs are extra. **12 passengers max.**

****On Twilight trips:** All are on Friday evenings. Cost is \$20 for adults, kids 16 and under are FREE. Limited to **42 passengers** and club members only at this point in CoVid, although things might change.

To Sign Up for the charters: As the next trip approaches, I will send out an email requesting sign-ups and payments. **BE SURE** that your email address is on the club's GMail account. **If it is not, PLEASE** send me a personal email so I can add it to the list. My email is **dwaynesda@juno.com**. **We do not know when the in-person meetings are going to resume, so this is a very important step if you would like to go on the charters!**

Thank You Pitbull Tackle

By Andrew Hauser, Weighmaster

Pitbull tackle said they were going to send some jigs down for the rock fish tournament, and boy did they deliver. They sent the San Diego Anglers a plethora of amazing jigs and braid cutters.

The board tried their best to get them to as many tournament anglers as possible before the tournament started, and those that did get them found the jigs to be extremely effective in catching Rockfish and lingcod.

The 8-ounce deadeye jigs seemed to be the hot ticket. There is just something about that glow that Rockfish can't resist.

Here is a picture of what one angler and his family were able to put on the boat using the deadeye jig.

As for the braid cutters, we really don't have to say much about them as they speak volumes for themselves. Hands down the best braid cutters on the market for the price.

A huge thank you to Pitbull Tackle.

SDA Awards Banquet

April 24th, 2021

By Debbie Patenaude

How wonderful to see everyone on such a beautiful sunny, Saturday afternoon at Carlton Oaks Country Club for our Annual Awards Banquet! After a lot of catching up with each other and working the bugs out of the system, since it's been two years since our last banquet, we were treated to appetizers and then to delicious prime rib and stuffed chicken breast dinner, topped off with apple cobbler. A year is really a long time to wait to see old friends!

President Ray Broadfoot started the evening off by thanking the outgoing Board, especially Jim Medlin, who will be off now after 3 years, and Sam Lindsey for agreeing to come back on for another 3 year term. Your new 2021 Board was welcomed, Ray Broadfoot for a second term as President and Social Events, Ty Wiese as Vice President and Secretary, Richard Lenyk for Membership, Charley Fouquette as Raffle Master, David Ameika for clothing, Sam Lindsey for Tournaments, Andrew Hauser as Weighmaster, and finally as an honorary Board Member... Adam Larson, Treasurer.

We had a moment of silence to remember two outstanding members that we lost in 2020 -2021, Harry Okuda and Earl Asbury. They will be greatly missed!

Then, the moment we've been waiting for... AWARDS.

As in past years, past the main raffle was outstanding, with so many new and different items, gift certificates, even a TV, only to be topped off with a 3-Day trip on the "Vagabond". In the SDA Foundation Silent Auction, we had long-range trips, stained glass, and many one-of-a-kind prizes. The target raffle contained reels, baskets containing anything from cast iron to Massage Envy, and even a freezer!

About 8pm we all headed home, happy, full, and delighted to see each other!

A huge thank-you to all you that helped with the Banquet: Ray, Dwayne, Charley, Debbie, Colleen, Tina, Dennis, Sasue, Carol, Scott, John Gleaves, Dave Hanes, David Chavez, Shannon & Aric, Kevin Burkhart, Tyler Hart, Tim, Harry, Dora, Ann Gunter, all the ticket tearers, Glenn Gerber, Steve Carson, Cliff, and raffle runners: Luke, Micah, Justin, and Jack. New Junior Class Breakdown for Tournaments

The Board of Directors have come up with a new Junior Class Breakdown for tournaments. In order to have a more level playing field for the junior anglers, we have come up with the idea of breaking down the Junior Angler's group for fishing in tournaments. There will be three different classes, broken down by age, so the younger kids will not have to compete with the older, more experienced ones.

The classes will be:

- Peewee Class: 1 - 6 years of age
- Pony Class: 7 - 11 years of age
- Varsity Class: 12 - 16 years of age

The class designation will be based on the Junior Angler's age on the 4th of July (middle of the year).

We hope this will help make it easier for the families to keep the kids interested in fishing and involved in the club events.

2021 April Halibut Tournament Report *By Sam Lindsey, Tournament Master*

San Diego, CA April 25, 2021. With 6 adult and 6 junior anglers out there this month's tournament, I wish I had great news about our Halibut Tournament. But it looks like no one was able to catch a legal halibut. I had heard back from some of our anglers, that all they could catch were shorts! Not sure if there is any reason for this, the weather was cooperative, the sea conditions were alright, baits were available, the boat worked fine, and the rod and reels all work. Hum, wonder if the fish are getting smarter than us? LOL, well that is why they call it fishing and not catching.

On the up side of things this month we have the SDA Yellowtail tournament starting on May 1st going through the 23rd. This gives us 4 full weekends to get out there and catch that winning yellowtail! Oh yea, there is a Jackpot for this tournament and the species of fish is HALIBUT! So our anglers that couldn't get that legal halibut last month now have another shot at them. GOOD LUCK! To all of our anglers this month.

HOW TO MEASURE TOTAL LENGTH OF CATCH

The **total length** is the maximum length of the fish, with the mouth closed and the tail fin pinched together. The best way to obtain this length is to push the fish's snout up against a vertical surface with the mouth closed and the fish laying along a tape measure, then pinch the tail fin closed and determine the total length. Do NOT pull a flexible tape measure along the curve of the fish. Prior to getting a final measurement the caudal (tail) fin will be pinched shut.
