Geoff Hunt is a chef and commercial fisherman. He can catch 'em and cook 'em! His specialty is sourcing commercial fishing gear, foul weather gear, building and innovating traps and customer service. Geoff has been making traps for 10 years and has built a solid reputation with the West Coast fleet. He makes the highest quality traps you can find and is a great guy to do business with. Geoff values fairness, quality and helping people, which make up the core foundation of Lobster Port.

Geoff Hunt was a local commercial fisherman, working in the fish, lobster, crab and squid fisheries out of the San Diego G Street harbor. He experienced the difficult tasks of sourcing, procuring and building commercial gear and traps firsthand. To help solve these problems, he opened Lobster Port Trap Company in 2012; The One-Stop Shop for Commercial Gear and Custom-Built Traps. # Earl Asbury Tournament Awards Ceremony & Summer BBQ

By: Debbie Patenaude

Long before sunrise, Tyler Hart with ribs cooking in the smoker, was at De Anza Cove securing a spot for the Earl Asbury Memorial, Tournament Awards, and Summer BBQ. Soon followed the rest of the morning set-up crew: Dave Hanes, Debbie Patenaude, Larry Courtney,

Ray Broadfoot, and Mike Kezele with his rotisserie BBQ to get the pork roasting.

The day was beautiful and perfect for us to remember our friend Earl. We were delighted to have his family join us and share memories during

our little ceremony. Ray Broadfoot and Dwayne Patenaude shared how much Earl has meant to our club. and Earl fishing stories, under a canopy with a number of photos. To wrap up the "1st Annual Earl Asbury Memorial Tournament," Ray Broadfoot announced

the various winners and awarded their prizes.

Soon it was time for lunch, and what a lunch it was! Ribs, rotisserie pork, salt & pepper chicken wings (thank you, Tina Burlason for picking those up), a variety of salads. Megan Burlason Dempewolf made two beautiful fruit trays as only an executive chef could make and we had a variety of desserts. Thanks to all who brought extras, there was barely a crumb left.

It was a fun day full of visiting with old friends, watching the little kids hula hoop and play in the sand. Always loving to get together with his friends, I'm sure Earl would have enjoyed the day.

A big THANK YOU to Dave McMullen for his donation towards the event, making it even more special.

## San Diego Anglers 2-Day Liberty Trip

By: Chris Fletcher Jr.

As most around San Diego County used their Tuesday night in the first week of October finding their Halloween boxes, 20 eager fishermen from all ages and fishing backgrounds kin to the San Diego Anglers organization took voyage for a two-day hunt for pelagic species on the spacious sport fishing vessel the *Liberty*, stationed out of Fisherman's Landing. Captain Taro Takeuchi's game plan for the trip was to start the first day northwest nearly 80+ miles around the Tanner/Cortez Bank, in search of the elusive Bluefin tuna; and throughout the night travel back south to Mexican waters "paddy hopping" for warmer watered pelagic species such as Yellowfin Tuna and Dorado. Taro and crew gear suggestions for the first day comprised of a 30#/40# fly-line setup with at least a three-foot leader of matching fluorocarbon with a #1 or 1/0 "J" or circle hook and to have a 50#/60# Flatfall or rubber sinker ready for deeper meter marks. At night, the large knife jigs, that could be purchased at the landing before departure, with at least an 80#/100# outfit with a 300lb. Short-crimped leader was the key to landing a fish of a lifetime. For the second day, a fly line 25#/30# setup with matching fluorocarbon and a smaller #2 or #1 hook was the key to success.

Our first day on the Pacific blue, although full of tremendous food from the galley and high spirits amongst anglers, ended up being a lot more of an ocean excursion than fishing for most of the day. Starting with the rest of the fleet for breezing Bluefin on anchor, our group was able to scratch out one 20lbs Bluefin on the fly-line. Taro and crew searched vigorously around the area in search for biting fish, but due to post low-pressure-conditions and boating pressure from the fleet and private boaters, the Bluefin didn't want to play. In a last-ditch effort before dinner and transitioning to the cows at night, we anchored up at Cortez Bank with a successful slow picking of 15-20lbs yellowtail mixed with the occasional 5-10lbs Bonita that kept us at the rail the rest of the evening into the Pacific sunset. The key was bait selection, and changing out your bait consistently. After a delicious tri tip dinner with Sarah in the galley, we took our shot at the trophies with knife jigs dropping down between 180-500ft, to no avail, and put day one in the books as we proceeded south in search of warmer water.

Day two proved to be a lot more promising from daybreak. A lot more life was present from grey light, with large schools of porpoise and working birds within the first few hours of putting out the trollers. It was not long before the boys in the tower located a small kelp paddy with a dense school of Dorado on it, orchestrating the symphonic sound of drags singing and changing the state of fishing, to catching. Full-speed organized chaos was the synopsis for day two. Every paddy we found, although few and far between, was *loaded* with schooling Dorado ranging from 10lbs to the boat's jackpot of 22lbs! Again, the ticket to play consisted of selecting a non-marked, green back, "hot" sardine and being in the water once Taro gave the okay to drop in. We ended the trip with 1 Bluefin, 16 yellowtail, a handful of bonito, rock-fish, and limits of Dorado for our San Diego Anglers family.

The "Liberty" and crew are one of the best in California hands down. More eager than us to find fish, calm and collective during chaos times, 5-star quality meals and snacks, and exceptional customer service from start to finish. Charter Captain Dwayne Patenaude may be the best charter head out there, making sure everyone on the trip was accommodated with proper sleeping arrangements, and thorough communication on all we needed to know in regards to the trip to allow for us to focus on fishing. Good weather, great fishing, even better comraderie with the SD Anglers family. Hope to see you there next year.

## San Diego Anglers 2-Day Liberty Trip - Photos

### Father & Son Memories

This was quite a special day. We planned to have to go fishing in the Santa Monica Bay for Bass and Calico. We said we'd get off the water by 11 and our goal was to catch 50 fish before we left. The fishing was slow at the Santa Monica brick wall and AR. We moved down to The Pipe and got on a good Sand Bass bite. The fish were all spitting up squid, so I switched to purple and brown on my double rig. 49 bass in and I said, "OK, let's wind them up, move in, and get one last Calico." At that point a Yellowtail just completely smashed my Hookup Baits double rig. I jumped in the driver seat and chased down the fish to get above it. Then, proceeded to fight it back to the boat. Cash gaffed it with his rickety old kayak gaff. I reached down and grabbed the tail, and we both heaved it into the boat. When it landed on the deck, we knew we had a record catch for our boat. It was the first Yellowtail ever boated on the SS Baybasher. What a fine specimen it was. Those are the kinds of father-son memories that we will never forget.

### Big Brothers and Sisters Day on the Bay

**Sunday, November 14th**, is our **23rd Annual** Day on the Bay with Big Brothers and Sisters of America, sponsored by Seaforth Boat Rentals and the Ocean Science International. Taking these kids and their sponsors fishing for the day is a rewarding experience for everyone involved. You too can be involved. All we ask for is you, your boat, and a few hours in the morning. We need 20+ skippers/guides and 10 people for the ground crew. Whatever you choose to do, your time is appreciated, as is evidenced by all the big smiles at lunch.

## Final Tournament of 2021

Good Evening Everyone,

Well, it is down to the end of the year and we still have one more tournament on November 6, 2021. This will be a one-day, live weigh-in at Shelter Island Boat ramp between 4:00 to 5:00 PM. There is still time to get out there and rack up some points for Tournament Angler of the Year and Tournament Skipper of the Year. We need to have your tournament entry forms in before you start fishing. It's been a great year of fishing and fun on the water. Let's make this last tournament another great one. I look forward to seeing everyone at the weigh-in at Shelter Island Boat Ramp.
